2. Parties should not construe the Bureau’s request for comment on Airadigm’s petition to include the operation of the Commission’s automatic cancellation rules or the effect of bankruptcy on the operation of those rules. We intend by this notice to limit comment to Airadigm’s request for regulatory relief in the form of license reinstatement, or alternatively, a waiver of the automatic cancellation of the licenses under the Commission’s rules.

3. This proceeding has been designated as a “permit-but-disclose” proceeding in accordance with the Commission’s *ex parte* rules. 47 CFR 1.1200(a), 1.1206. Persons making oral *ex parte* presentations are reminded that memoranda describing the presentations must contain summaries of the substance of the presentations and not merely a listing of the subjects discussed. More than a one or two sentence description of the views and arguments presented is generally required. See 47 CFR 1.1206(b). Other rules pertaining to oral and written *ex parte* presentations in permit-but-disclose proceedings are set forth in § 1.1206(b) of the Commission’s rules, 47 CFR 1.1206(b).
