BILLING CODE 6560-50-F

FEDERAL COMMUNICATIONS COMMISSION

Federal-State Joint Conference on Advanced Services Field Hearing Schedule

AGENCY: Federal Communications Commission.

ACTION: Announcement of meetings.

SUMMARY: The Federal-State Joint Conference on Advanced Telecommunications Services (Joint Conference) was convened by the FCC on October 8, 1999 to further the vision of Section 706 of the Telecommunications Act of 1996. Patterned on a resolution by the National Association of Regulatory Utility Commissioners (NARUC), the

Joint Conference joins federal and state forces to encourage the deployment of advanced telecommunications services to all Americans. Part of the Joint Conference's mission is to gather information on the deployment of advanced services. To this end, the Joint Conference will hold six field hearings in coming months to gather information on the status of deployment of advanced telecommunications capability to all Americans.

DATES: See SUPPLEMENTARY INFORMATION section for hearing dates.

ADDRESSES: See SUPPLEMENTARY INFORMATION section for hearing addresses.

FOR FURTHER INFORMATION CONTACT: Emily Hoffnar (202) 418-0940 TTY: (202) 418-0484.

SUPPLEMENTARY INFORMATION: These field hearings will focus on two goals in particular. First, the Joint Conference will seek information on what extent data is available at the state level on the status of deployment of advanced services. Second, the Joint Conference will seek examples of "best practices" of successful deployment in communities. Some communities have found creative ways to bring high speed Internet access to areas that were previously underserved. For example, a community may speed deployment by bringing many potential users of advanced services together, thereby aggregating demand to increase their buying power. A compilation of creative efforts, or best practices, will provide guidance to communities in other states to speed deployment of advanced services.

Transcripts of each field hearing will be made available to the public as soon as possible after each field hearing.
