RIN 1512-AB98

**Delegation of Authority (99R-247P)**

**AGENCY:** Bureau of Alcohol, Tobacco and Firearms (ATF), Treasury.

**ACTION:** Treasury Decision, Final rule.

**SUMMARY:** Authority delegation. This final rule places most ATF authorities contained in parts 4, 5, and 7, title 27 Code of Federal Regulations (CFR), with the “appropriate ATF officer” and requires that persons file documents required by parts 4, 5, and 7, title 27 CFR, with the “appropriate ATF officer” or in accordance with the instructions on the ATF form. Also, this final rule removes the definitions of, and references to, specific officers subordinate to the Director. Concurrently with this Treasury Decision, ATF Order 1130.2A is being

published. Through this order, the Director has delegated most of the authorities in 27 CFR parts 4, 5 and 7 to the appropriate ATF officers and specified the ATF officers with whom applications, notices and other reports that are not ATF forms are filed. Finally, this final rule removes the definition of, and a reference to, the Director in part 16, title 27 CFR.

**DATES:** Effective March 7, 2000.

**FOR FURTHER INFORMATION CONTACT:** Robert Ruhf, Regulations Division, Bureau of Alcohol, Tobacco and Firearms, 650 Massachusetts Avenue NW, Washington, DC 20226 (202-927-8210).

**SUPPLEMENTARY INFORMATION:**

**Background**

Pursuant to Treasury Order 120-01 (formerly 221), dated June 6, 1972, the Secretary of the Treasury delegated to the Director of the Bureau of Alcohol, Tobacco and Firearms (ATF), the authority to enforce, among other laws, the provisions of the Federal Alcohol Administration (FAA) Act. The Director has subsequently redelegated certain of these authorities to appropriate subordinate officers by way of various means, including by regulation, ATF delegation orders, regional directives, or similar delegation documents. As a result, to ascertain what particular officer is authorized to perform a particular function under the FAA Act,

each of these various delegation instruments must be consulted. Similarly, each time a delegation of authority is revoked or redelegated, each of the delegation documents must be reviewed and amended as necessary.

ATF has determined that this multiplicity of delegation instruments complicates and hinders the task of determining which ATF officer is authorized to perform a particular function. ATF also believes these multiple delegation instruments exacerbate the administrative burden associated with maintaining up-to-date delegations, resulting in an undue delay in reflecting current authorities.

Accordingly, this final rule rescinds all authorities of the Director in parts 4, 5, and 7 that were previously delegated and places those authorities with the “appropriate ATF officer.” Most of the authorities of the Director that were not previously delegated are also placed with the “appropriate ATF officer.” Along with this final rule, ATF is publishing ATF Order 1130.2A, Delegation Order—Delegation of the Director’s Authorities in 27 CFR parts 4, 5 and 7, Labeling and Advertising of Wine, Distilled Spirits and Malt Beverages, which delegates certain of these authorities to the appropriate organizational level. The effect of these changes is to consolidate all delegations of authority in parts 4, 5 and 7 into one delegation instrument. This action both

simplifies the process for determining what ATF officer is authorized to perform a particular function and facilitates the updating of delegations in the future. As a result, delegations of authority will be reflected in a more timely and user-friendly manner.

To conform to these changes, this final rule removes the definition of "Director" and the one reference to the Director in part 16. The reference to the Director is found in 27 CFR 16.30. This section states that certificates of label/bottle approval or exemption from label approval are issued pursuant to parts 4, 5, and 7.

In addition, this final rule also eliminates all references in the regulations that identify the ATF officer with whom an ATF form is filed. This is because ATF forms will indicate the officer with whom they must be filed. Similarly, this final rule also amends parts 4, 5 and 7 to provide that the submission of documents other than ATF forms (such as letterhead applications, notices and reports) must be filed with the "appropriate ATF officer" identified in ATF Order 1130.2A. These changes will facilitate the identification of the officer with whom forms and other required submissions are filed.

This final rule also makes various technical amendments to subparts A of 27 CFR parts 4, 5 and 7. First, new sections are added in each part to recognize the authority of the Director to delegate regulatory authorities and to identify ATF Order 1130.2A as the instrument reflecting such delegations. Second, various sections are amended in each part to provide that the instructions for an ATF form identify the ATF officer with whom it must be filed.

ATF has begun to make similar changes in delegations to other parts of Title 27 of the Code of Federal Regulations through separate rulemakings. By amending the regulations part by part, rather than in one large rulemaking document and ATF Order, ATF minimizes the time expended in notifying interested parties of current delegations of authority.

#### **Paperwork Reduction Act**

The provisions of the Paperwork Reduction Act of 1995, Public Law 104-13, 44 U.S.C. Chapter 35, and its implementing regulations, 5 CFR part 1320, do not apply to this final rule because there are no new or revised recordkeeping or reporting requirements.

#### **Regulatory Flexibility Act**

Because no notice of proposed rulemaking is required for this rule, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply.

#### **Executive Order 12866**

It has been determined that this rule is not a significant regulatory action because it will not: (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in Executive Order 12866.

#### **Administrative Procedure Act**

Because this final rule merely makes technical amendments and conforming changes to improve the clarity of the regulations, it is unnecessary to issue this final rule with notice and public procedure under 5 U.S.C. 553(b). Similarly it is unnecessary to subject this final rule to the effective date limitation of 5 U.S.C. 553(d).

**Coast Guard**

**33 CFR Part 110**

[CGD09 99-081]

RIN 2115-AA98

**Special Anchorage Area; Henderson Harbor, New York**

**AGENCY:** Coast Guard, DOT.

**ACTION:** Final rule.

**SUMMARY:** The Coast Guard is enlarging the existing special anchorage area in Henderson Harbor, NY. Henderson Harbor is used as a temporary anchorage area for recreational vessels to anchor without the requirement of showing anchorage lights as required by navigation rules. Enlarging this special anchorage area will replace anchorage space lost as a result of declining water levels in Lake Ontario and improve safety to vessels anchoring within this highly trafficked area.

**DATES:** This regulation becomes effective on April 28, 2000.

**ADDRESSES:** Comments and materials received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket [CGD09 99-081] and are available for inspection or copying at the Ninth Coast Guard District, Room 2069, 1240 E. Ninth Street, Cleveland, OH, between 8 a.m. and 4 p.m. Monday through Friday, except federal holidays.

**FOR FURTHER INFORMATION CONTACT:** LT Lynn Goldhammer, Ninth Coast Guard District, Marine Safety Division, at (216) 902-6050.

**SUPPLEMENTARY INFORMATION:**

**Regulatory Information**

We published a notice of proposed rulemaking concerning this regulation in the **Federal Register** on November 5, 1999 (64 FR 60399). Five comments were received during the comment period.

**Background and Purpose**

This rule is in response to a request from the City of Henderson, New York to enlarge the existing special anchorage area in Henderson Harbor. The intended effect of the regulation is to reduce the risk of vessel collisions by providing notice to mariners of the establishment of a special anchorage area in which vessels not more than 65 feet in length are not required to exhibit anchor lights as required by the Navigation Rules.

**Discussion of Comments and Changes**

Five letters were received in support of enlarging the special anchorage in Henderson Harbor. No objections were received. Two letters recommended extending the position of Buoy "C" in anchorage area A to create a more rectangular shape to anchorage area A. The Coast Guard considered these comments and has decided to make this change to the proposed rule.

**Regulatory Evaluation**

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. The Office of Management and Budget has not reviewed this rule under that order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). The Coast Guard expects the economic impact of this proposal to be so minimal that a full Regulatory Evaluation under paragraph 10(e) of the regulatory policies and procedures of DOT is unnecessary.

**Small Entities**

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the Coast Guard must consider whether this rule will have a significant economic effect upon a substantial number of small entities. "Small entities" include small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. Therefore, the Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities because using the anchorage area is voluntary.

**Assistance for Small Entities**

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-221), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process. Small entities may contact the person listed under **FOR FURTHER INFORMATION CONTACT** for assistance in understanding and participating in this rulemaking. We also have a point of contact for commenting on actions by employees of the Coast Guard. Small businesses may send comments on the actions of Federal employees who enforce, or who otherwise determine compliance with Federal regulations, to the Small
