

subsequent winning bids for those licenses. (*See Auction No. 31 Comment Public Notice* at 10.)

viii. Round Results

126. Bids placed during a round will not be published until the conclusion of that bidding period. After a round closes, the Commission will compile reports of all bids placed, bids withdrawn, current high bids, new minimum accepted bids, and bidder eligibility status (bidding eligibility and activity rule waivers), and post the reports for public access. Reports reflecting bidders' identities and bidder identification numbers for Auction No. 31 will be available before and during the auction. Thus, bidders will know in advance of this auction the identities of the bidders against which they are bidding.

ix. Auction Announcements

127. The FCC will use auction announcements to announce items such as schedule changes and stage transitions. All FCC auction announcements will be available on the FCC remote electronic bidding system, as well as on the Internet.

x. Maintaining the Accuracy of FCC Form 175 Information

128. As noted in Section II.E., after the short-form filing deadline, applicants may make only minor changes to their FCC Form 175 applications. For example, permissible minor changes include deletion and addition of authorized bidders (to a maximum of three) and certain revisions to exhibits. Filers must make these changes on-line, and submit a letter to: Amy Zoslov, Chief, Auctions and Industry Analysis Division, Wireless Telecommunications Bureau, Federal Communications Commission, 445 12th Street, SW, Washington, DC 20554.

A separate copy of the letter should be mailed to Howard Davenport, Auctions and Industry Analysis Division, briefly summarizing the changes. Questions about other changes should be directed to Howard Davenport, Auctions and Industry Analysis Division at (202) 418-0660.

V. Post-Auction Procedures

A. Down Payments and Withdrawn Bid Payments

129. After bidding has ended, the Commission will issue a public notice declaring the auction closed, identifying the winning bids and bidders for each license, and listing bid withdrawal payments due.

130. Within ten business days after release of the auction closing public

notice, each winning bidder must submit sufficient funds (in addition to its upfront payment) to bring its total amount of money on deposit with the Government to 20 percent of its net winning bids (actual bids less any applicable bidding credits). *See* 47 CFR 1.2107(b). In addition, by the same deadline all bidders must pay any withdrawn bid amounts due under 47 CFR 1.2104(g), as discussed in "Bid Removal and Bid Withdrawal," Section IV.B.vi. (Upfront payments are applied first to satisfy any withdrawn bid liability, before being applied toward down payments.)

B. Long-Form Application

131. Within ten business days after release of the auction closing public notice, winning bidders must electronically submit a properly completed long-form application and required exhibits for each 700 MHz band license won through the auction. Winning bidders that are small businesses or very small businesses must include an exhibit demonstrating their eligibility for bidding credits. *See* 47 CFR 1.2112(b). Further filing instructions will be provided to auction winners at the close of the auction.

C. Default and Disqualification

132. Any high bidder that defaults or is disqualified after the close of the auction (*i.e.*, fails to remit the required down payment within the prescribed period of time, fails to submit a timely long-form application, fails to make full payment, or is otherwise disqualified) will be subject to the payments described in 47 CFR 1.2104(g)(2). In such event the Commission may re-auction the license or offer it to the next highest bidder (in descending order) at their final bid. *See* 47 CFR 1.2109(b) and (c). In addition, if a default or disqualification involves gross misconduct, misrepresentation, or bad faith by an applicant, the Commission may declare the applicant and its principals ineligible to bid in future auctions, and may take any other action that it deems necessary, including institution of proceedings to revoke any existing licenses held by the applicant. *See* 47 CFR 1.2109(d).

D. Refund of Remaining Upfront Payment Balance

133. All applicants that submitted upfront payments but were not winning bidders for a 700 MHz license may be entitled to a refund of their remaining upfront payment balance after the conclusion of the auction. No refund will be made unless there are excess funds on deposit from that applicant

after any applicable bid withdrawal payments have been paid.

134. Bidders that drop out of the auction completely may be eligible for a refund of their upfront payments before the close of the auction. However, bidders that reduce their eligibility and remain in the auction are not eligible for partial refunds of upfront payments until the close of the auction. Qualified bidders that have exhausted all of their activity rule waivers, have no remaining bidding eligibility, and have not withdrawn a high bid during the auction must submit a written refund request which includes wire transfer instructions, a Taxpayer Identification Number ("TIN"), and a copy of their bidding eligibility screen print, to: Federal Communications Commission, Financial Operations Center, Auctions Accounting Group, Shirley Hanberry 445 12th Street, SW, Room 1-A824, Washington, DC 20554.

135. Bidders are encouraged to file their refund information electronically using the Refund Information portion of the FCC Form 175, but bidders can also fax their request to the Auctions Accounting Group at (202) 418-2843. Once the request has been approved, a refund will be sent to the party identified in the refund information.

Note: Refund processing generally takes up to two weeks to complete. Bidders with questions about refunds should contact Michelle Bennett or Gail Glasser at (202) 418-1995.
