BILLING CODE 6560–50–P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 27

[CC Docket No. 99–168; DA 00–450]

Service Rules for the 746–764 and 776–794 MHz Bands; Correction

AGENCY: Federal Communications Commission.

ACTION: Final rule; correction.

SUMMARY: This document corrects two errors that were contained in a document published in the January 20, 2000, *Federal Register*, establishing service rules governing the initial assignment of license, by competitive bidding, and the subsequent regulatory treatment of commercial services to be provided on the 746–764 and 776–794 MHz Bands.

DATES: Effective on March 9, 2000.

FOR FURTHER INFORMATION CONTACT: Jane Phillips, 202–418–1310.

SUPPLEMENTARY INFORMATION: The Federal Communications Commission published a synopsis of the First Report and Order (synopsis) (FR Doc. 00–1332) in the *Federal Register* of January 20, 2000, (65 FR 3139) establishing service rules governing the initial assignment of license, by competitive bidding, and the subsequent regulatory treatment of commercial services to be provided on the 746–764 and 776–794 MHz Bands. Both in the text of the synopsis and in § 27.13(b) of the Commission’s implementing regulation, the specific date as of which a license issued for the 747–762 MHz and 777–792 MHz bands will terminate was erroneously identified as January 1, 2014. The correct date is January 1, 2015. Additionally, in § 27.66(b), the date as of which a fixed service common carrier’s application for voluntary discontinuance, reduction, or impairment of service will be automatically granted, absent

opposition, is amended from “30” to “31” days.

Correction of Publication

In rule FR Doc. 00–1332, 65 FR 3139, January 20, 2000, make the following corrections. In the text of the supplementary information wherever the date January 1, 2014, appears, correct it to read January 1, 2015. On page 3146, in the second column, § 27.13 (b) is amended by correcting “January 1, 2014,” to “January 1, 2015.” Additionally, on page 3149, in the second column, § 27.66(b) is amended by correcting “30 days” to read “31 days.”

Dated: March 3, 2000.

Federal Communications Commission.

Magalie Roman Salas,

Secretary.
