BILLING CODE 3610–05–M

DEPARTMENT OF DEFENSE**Corps of Engineers, Department of the Army****Regulatory Guidance Letters Issued by the Corps of Engineers**

AGENCY: U.S. Army Corps of Engineers, DoD.

ACTION: Notice.

SUMMARY: The purpose of this notice is to provide current Regulatory Guidance Letters (RGLs) to all interested parties. RGLs are used by the Corps Headquarters as a means to transmit guidance on the permit program (33 CFR 320–330) to its division and district commanders. The Corps is discontinuing the practice of publishing the current RGLs in the Notice Section of the **Federal Register**. As a means to insure the widest dissemination of this information while reducing costs to the Federal Government, all information regarding the RGLs may now be obtained by accessing the Corps of Engineers Regulatory Home Page at: <http://www.usace.army.mil/inet/functions/cw/cecwo/reg/>. The Corps no longer maintains a mailing list to furnish copies of the RGLs to the public. **FOR FURTHER INFORMATION CONTACT:** Mr. Michael D. Smith, Regulatory Branch, Office of the Chief of Engineers at (202) 761–0201.

SUPPLEMENTARY INFORMATION: RGLs were developed by the Corps of Engineers as a system to organize and track written guidance issued to its field agencies. RGLs are normally issued as a result of evolving policy; judicial decisions and changes to the Corps regulations or another agency's regulations which affect the permit program. RGLs are used only to interpret or clarify existing regulatory program policy, but do

provide mandatory guidance to Corps district offices. RGLs are sequentially numbered and expire on a specified date. However, unless superseded by specific provisions of subsequently issued regulations or RGLs, the guidance provided in RGLs generally remains valid after the expiration date. The Corps incorporates most of the guidance provided by RGLs whenever it revises its permit regulations. We are hereby publishing all *current* RGLs beginning with RGL 95–1 and ending with RGL 96–2. RGLs 94–1 and 94–2 expired on December 31, 1999, and both have been removed from this publication. The Corps is discontinuing the practice of publishing each RGL in the Notice Section of the **Federal Register** at this time. All information regarding the RGLs may now be obtained by accessing the Corps of Engineers Regulatory Home Page at: <http://www.usace.army.mil/inet/functions/cw/cecwo/reg/>.

Dated: March 6, 2000.

Charles M. Hess

Chief, Operations Division, Office of Deputy Commanding General for Civil Works.

Regulatory Guidance Letter (RGL 95–1)

Issued: 31 March 1995, *EXPIRES:* 31 December 2000.

Subject: Guidance on Individual Permit Flexibility for Small Landowners.

1. Enclosed is a memorandum for the field signed by the Acting Assistant Secretary of the Army (Civil Works) and the Environmental Protection Agency dated 6 March 1995. This memorandum provides guidance on flexibility that the U.S. Army Corps of Engineers should apply when making determinations of compliance with the Section 404(b)(1) Guidelines with regard to the alternatives analysis.

2. This memorandum should be implemented immediately. It constitutes an important aspect of the President's Plan for protecting the Nation's wetlands, "Protecting America's Wetlands: A Fair, Flexible, and Effective Approach" (published on 24 August 1993).

3. This guidance expires on 31 December 2000 unless sooner revised or rescinded.

FOR THE DIRECTOR OF CIVIL WORKS:

Encl
