**SUPPLEMENTARY INFORMATION:** Under the Paperwork Reduction Act of 1995, before an agency submits a proposed collection of information to OMB for approval, it must publish a document in the **Federal Register** providing a 60-day comment period and otherwise consult with members of the public and affected agencies concerning each proposed collection of information. The OMB has promulgated regulations describing what must be included in such a document. Under OMB's regulations (at 5 CFR 1320.8(d)), an agency must ask for public comment on the following:

(i) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(ii) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(iii) How to enhance the quality, utility, and clarity of the information to be collected; and

(iv) How to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

In compliance with these requirements, NHTSA asks public comment on the following proposed collection of information:

**Insurer Reporting Requirement for 49 CFR Part 544**

*Type of Request:* Reinstatement of clearance.

*OMB Clearance Number:* 2127-0547.

*Form Number:* This collection of information uses no standard forms.

*Requested Expiration Date of Approval:* Three years from date of approval.

*Summary of the Collection of Information:* The Motor Vehicle Theft Law Enforcement Act of 1984 was amended by the Anti Car Theft Act (ACTA) of 1992 (Pub. L. 102-519) which mandated this information collection. One component of the comprehensive theft prevention package required the Secretary of Transportation (delegated to the National Highway Traffic Safety Administration (NHTSA)) to promulgate a theft prevention standard to provide for the identification of certain motor vehicles and their major replacement parts to impede motor vehicle theft. Section 615 of the ACTA requires insurance companies and rental/leasing companies to provide information to NHTSA on comprehensive insurance premiums which address motor vehicle theft.

*Description of the need for the information and proposed use of the information:* The insurer's report will be submitted by motor vehicle insurance companies and rental/leasing companies on an annual basis to NHTSA. All rental/leasing companies (which have a fleet of 50,000 or more units in its fleet and are not covered by theft insurance policies issued by motor vehicle insurers) are bound to comply. Specific motor vehicle insurance companies and subject rental and leasing companies are listed in Appendices A, B, and C of Part 544. These reports are required to be submitted in a specified format as shown in Parts 544.5 and 544.6, giving requirements and contents of the report.

The information will be used by NHTSA in exercising its statutory authority to help reduce comprehensive insurance premiums charged by insurers of motor vehicles due to motor vehicle thefts. The report will also show the rate of theft and recoveries of stolen vehicles that they insure by type and other categories.

Without this information, the agency cannot adequately assess the effectiveness of the ACTA as directed by Congress.

*Description of the Likely Respondents (Including Estimated Number, and Proposed Frequency of Response to the Collection of Information):* The respondents are specific vehicle insurance companies, and rental/leasing companies (which have a fleet size of 50,000 or more and are not covered by theft insurance policies issued by motor

vehicle insurers). The agency estimates the number of respondents to total 30 vehicle insurance companies and 13 rental/leasing companies. The frequency of response to the collection of information is determined by the number of specific motor vehicle insurance companies, and rental/leasing companies listed in Appendices A, B, and C of Part 544. The lists are updated annually.

*Estimate of the Total Annual Reporting and Recordkeeping Burden Resulting from the Collection of Information:* The agency estimates that the reporting burden for this year will be \$1,168,090 for 30 insurance companies and \$99,840 for approximately 17 rental/leasing companies with a fleet size of 50,000 or more. The reporting burden is based on claim adjusters' salaries, clerical and technical expenses, and labor costs.

Issued: March 15, 2000.
