SCANA Corporation (70-9639)

SCANA Corporation ("SCANA"), 1426 Main Street, Columbia, South Carolina 29201, a registered holding company, and SCANA Services, Inc. (collectively "Declarants") have filed a declaration under sections 6(a), 7, and 12(e) of the Act and rules 62 and 65 under the Act.

Declarants propose to issue, over a period of three years, up to five million shares of its no par value common stock ("Common Stock") for distribution to participants in SCANA's Long-Term Equity Compensation Plan ("Plan") by a variety of means. SCANA also seeks authorization to solicit proxies regarding approval of the Plan at SCANA's 2000 Annual Meeting of Shareholders.

Under the Plan, SCANA will offer long-term compensation to the directors of SCANA and its affiliates, as well as

to employees of these companies who are selected as significant contributors to the success of their company ("Key Employees"). Five types of long-term compensation are awardable: stock options, stock appreciation rights ("SARs"), restricted stock, performance stock, and performance units (collectively "Equity Compensation").

Declarants explain that the Plan, which links Plan participants' interests to those of shareholders, is designed to optimize the profitability and growth of SCANA by (1) allowing Plan participants to share in the successes of SCANA; (2) providing Plan participants incentives to achieve excellence in their individual performances and promote teamwork; and (3) allowing SCANA to motivate, attract, and retain the services of Plan participants.

The Plan will remain in effect until all options and rights granted under the Plan have been satisfied or terminated in accordance with the terms of the Plan, and all performance-based awards granted under the Plan have been completed. In no event, however, shall Equity Compensation be awarded on or after December 31, 2009.

The Plan was approved by the Board on February 22, 2000 but has not yet been approved by SCANA's shareholders. Declarants propose to submit the Plan to SCANA shareholders for consideration and action on April 27, 2000 and, correspondingly, intend to solicit proxies from SCANA shareholders. SCANA therefore requests that its declaration regarding the solicitation of proxies be permitted to become effective as soon as practicable, as provided in Rule 62(d).

It is stated that no State or federal commission, other than this Commission, has jurisdiction over the proposed transactions.

It appearing to the Commission that Declarants' declaration regarding the proposed solicitation of proxies should be permitted to become effective immediately, under rule 62:

It is ordered, that the declaration regarding the proposed solicitation of proxies be, and hereby is, permitted to become effective immediately under rule 62 and subject to the terms and conditions prescribed in rule 24 under the Act. The Commission reserves jurisdiction over all other matters contained in the Declaration.

For the Commission, by the Division of Investment Management, under delegated authority.

Margaret H. McFarland,*Deputy Secretary.*
