SUPPLEMENTARY INFORMATION: The environmental assessment of the federally assisted action indicates that the project will not cause significant local, regional, or national impacts on the environment. As a result of these findings, Donald W. Gohmert, State Conservationist, has determined that preparation and review of an environmental impact statement is not needed for this project.

The project will promote better utilization of available freshwater and nutrients from the Mississippi River, via the Caernarvon Diversion, for the maintenance of project area marshes. Benefits will include increasing freshwater retention time and allowing river water dispersion into interior marshes during periods of low diversion discharges from the Caernarvon Diversion Structure. This will reduce saltwater intrusion and salinity variation within the project area. The project is expected to protect and enhance existing marshes, increase the occurrence of emergent and submergent marsh vegetation, and improve fish and wildlife habitat on 18,200 acres of intermediate marsh and shallow open water bodies.

The Notice of Finding of No Significant Impact (FONSI) has been forwarded to the Environmental Protection Agency and to various federal, state, and local agencies and interested parties. A limited number of copies of the FONSI are available to fill single copy requests at the above address. Basic data collected during the environmental assessment are on file and may be reviewed by contacting Donald W. Gohmert.

No administrative action on implementation of the proposal will be taken until 30 days after the date of this publication in the **Federal Register**.

Donald W. Gohmert,
State Conservationist.

DEPARTMENT OF COMMERCE

International Trade Administration

[A-588-853]

Notice of Postponement of Preliminary Antidumping Duty Determination: Circular Seamless Stainless Steel Hollow Products From Japan

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 20, 2000.

FOR FURTHER INFORMATION CONTACT:

Constance Handley and Charles Riggle, Office 5, DAS Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone (202) 482-0631 or (202) 482-0650, respectively.

Postponement of Preliminary Determination

The Department of Commerce (the Department) is postponing the preliminary determination in the antidumping duty investigation of circular seamless stainless steel hollow products from Japan. The deadline for issuing the preliminary determination in this investigation is now April 24, 2000.

On November 15, 1999, the Department initiated an antidumping investigation of circular seamless stainless steel hollow products from Japan. *See Initiation of Antidumping Duty Investigation: Circular Seamless Stainless Steel Hollow Products From Japan*, 64 FR 62385, (November 19, 1999). The notice stated that the Department would issue its preliminary determinations no later than 140 days after the date of initiation (*i.e.*, April 3, 2000).

The Department has now concluded, consistent with section 733(c)(1)(B) of the Act, that this case is extraordinarily complicated, and that additional time is necessary to issue the preliminary determination due to the complexity of certain issues raised in this case, including issues of affiliation, sales reporting, and product coverage. *See Memorandum from Gary Taverman to Holly Kuga dated March 14, 2000.* Therefore, in light of the fact that a party to this proceeding has been cooperating, pursuant to section 733(c)(1) of the Act, the Department is postponing the deadline for issuing this determination 21 days (*i.e.*, until April 24, 2000).

This extension is in accordance with section 733(c) of the Act and 19 CFR 351.205(b)(2).

Dated: March 14, 2000.

Robert S. LaRussa,

Assistant Secretary for Import Administration.

Certain Iron-Metal Castings From India: Extension of Time Limit for Final Results of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Extension of Time Limit for Final Results of Countervailing Duty Administrative Review.

EFFECTIVE DATE: March 20, 2000.

FOR FURTHER INFORMATION CONTACT:

Robert Copyak at (202) 482-2786, Office of AD/CVD Enforcement VI, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230.

Time Limits

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order/finding for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days and for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of the publication of the preliminary results.

Background

On November 30, 1998, the Department published a notice of initiation of administrative review of the countervailing duty order on certain iron-metal castings from India, covering the period January 1, 1997, through December 31, 1997 (63 FR 65748). On November 12, 1999, (64 FR 61592), we published the preliminary results of review. In our notice of preliminary results, we stated our intention to issue the final results of this review no later than March 13, 2000.

Extension of Final Results of Review

We determine that it is not practicable to complete the final results of this review within the original time limit. Therefore the Department is extending the time limits for completion of the final results until no later than May 10, 2000. *See* Decision Memorandum from John Brinkman to Holly A. Kuga, dated March 13, 2000, which is on file in the Central Records Unit.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: March 13, 2000.

Acting Deputy Assistant Secretary for Import Administration, Group II.
