Departmental Regulation 1042–119 dated November 25, 1998, formally established the Committee and designated FSA to provide support. The

Committee is comprised of 16 members appointed by the Secretary. Members represent the following groups: (1) FSA; (2) State beginning farmer programs; (3) commercial lenders; (4) private nonprofit organizations with active beginning farmer programs; (5) the Cooperative State Research, Education, and Extension Service; (6) educational institutions with demonstrated experience in training beginning farmers or ranchers; (7) other entities providing lending or technical assistance to qualified beginning farmers or ranchers; and (8) farmers and ranchers. The Committee meets at least once a year and all meetings are open to the public. The duration of the Committee is indefinite.

The initial meetings of the Committee, held August 31–September 2, 1999, provided an opportunity for members to exchange ideas on ways to increase opportunities for beginning farmers and ranchers through Federal–State partnerships and to encourage more State participation. Members discussed various issues and drafted numerous recommendations, six of which the Committee determined were priorities and were submitted to the Secretary in writing. During the April meetings, members will discuss the Secretary's response to the six recommendations and review other draft proposals. Guest speakers from the Iowa State University's Beginning Farmer Center and the National Council of State Agricultural Finance Programs will address relevant issues.

Attendance is open to all interested persons but limited to space available. Statements should be received no later than April 6, 2000.
