SUPPLEMENTARY INFORMATION:**Background**

The Department of Commerce has determined that it is appropriate to re-open the record for comments concerning the above-described request for public comments for an additional 30-day period in order: (1) To officially accommodate the significant number of comments being filed somewhat beyond the original comment deadline; and (2)

to allow a reasonable, but limited, time for interested parties to augment their previous comments, or to file original comments, in light of the comments of other parties, which have been routinely posted on our Web site at <http://www.ecommerce.gov/ebarriers/review> as soon as practicable after their receipt. Comments filed after April 24, 2000, will not be considered by the Subgroup. Detailed background information concerning the original request for comments is contained in the above-cited **Federal Register** notice, a copy of which is also posted at <http://www.ecommerce.gov/ebarriers/fedreg1>. A copy of this notice can be found at <http://www.ecommerce.gov/ebarriers/fedreg2>.
