

Act (5 U.S.C. 552a) by describing the manner in which computer matching involving records of Federal and State agencies could be performed and adding certain protections for individuals applying for and receiving State administered Federal benefits. Section 7201 of the Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101-508), further amended the Privacy Act regarding protections for such individuals. The Privacy Act, as amended, regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State or local government records. It requires Federal agencies involved in computer matching programs to:

(1) Negotiate written agreements with the other agency or agencies participating in the matching programs;

(2) Obtain the approval of the match agreements by the Data Integrity Boards of the participating Federal Agency;

(3) Furnish detailed reports about matching programs to Congress and OMB;

(4) Notify applicants and beneficiaries that their records are subject to matching; and

(5) Verify match findings before reducing, suspending, terminating or denying an individual's benefits or payments.

B. SSA Computer Matches Subject to the Privacy Act

We have taken action to ensure that all of SSA's computer matching programs comply with the requirements of the Privacy Act, as amended.

BILLING CODE 4710-07-U

meat of bovine animals classified in chapter 2 of the HTS under tariff headings 0201 and 0202 and constituting goods of Canada, under the terms of general note 12 to the HTS. Duty-free treatment for meat from bovine animals comprising goods of Canada commenced on January 1, 1994. However, when the HTS was modified in 1995 to reflect the creation of a U.S. tariff-rate quota consistent for beef with the World Trade Organization Agreement on Agriculture, the tariff subheadings related to imports of meat from bovine animals not included in the United States tariff-rate quota, which is set forth in additional U.S. note 3 to chapter 2 of the HTS, were inadvertently not modified to provide Canada a special rate of duty of "free" for six tariff subheadings in the HTS: 0201.10.50; 0201.20.80; 0201.30.80; 0202.10.50; 0202.20.80; and 0202.30.80. This notice rectifies that omission in the HTS and reflects the duty-free treatment that should be accorded to meat of bovine animals, the foregoing being goods of Canada under the terms of general note 12 to the HTS, not covered by the tariff-rate quota set forth in additional U.S. note 3 to chapter 2 of the HTS. Duty-free treatment for beef from bovine animals that comprises goods of Canada is already provided for in the HTS.

Proclamation 6969 of January 27, 1997 (62 FR 4415, January 29, 1997) authorized the United States Trade Representative (USTR) to exercise the authority provided to the President under section 604 of the Trade Act of 1974, as amended by Public Law 100-418, 88 Stat. 2073 (19 U.S.C. 2483), to embody in the HTS the substance of the relevant provisions of that Act, and of other acts affecting import treatment, and actions thereunder, including rectifications, technical or conforming changes, or similar modifications in the HTS. Under authority vested in the USTR by Proclamation 6969 and the authority vested in the President by the Constitution and the laws of the United States, including, but not limited to, section 604 of the Trade Act of 1974, the United States-Canada Free-Trade Agreement Implementation Act of 1988, P.L. 100-449 (19 U.S.C. 2112 note), and the North American Free-Trade Agreement Implementation Act, P.L. 103-182 (19 U.S.C. 3301 *et seq.*), the following subheadings of chapter 2 of the Harmonized Tariff Schedule of the United States are modified by inserting, in the Rates of Duty1-Special subcolumn in the parentheses following the "Free" rate of duty the symbol "CA" in alphabetical order: 0201.10.50;

Rectification to the Harmonized Tariff Schedule of the United States

AGENCY: Office of the United States Trade Representative

ACTION: Notice of rectification to the Harmonized Tariff Schedule of the United States.

SUMMARY: The United States Trade Representative (the USTR) is providing notice of certain technical rectifications to subheadings in chapter 2 of the Harmonized Tariff Schedule of the United States (HTS) pursuant to authority granted by Congress to the President in section 604 of the Trade Act of 1974 and delegated to the USTR in Presidential Proclamation No. 6969 of January 27, 1997 (62 FR 4415). These rectifications will correct omissions that occurred when the HTS was modified to reflect the Uruguay Round conversion of the U.S. quota on beef to a tariff-rate quota and will ensure that the United States continues to meet its obligations under the Canada-U.S. Free Trade Agreement and the North American Free Trade Agreement with respect to goods of Canada, under the terms of general note 12 to the HTS, that are classified in HTS subheadings relating to meat from bovine animals.

DATES: The effective date of the rectifications is January 1, 1995, for all goods entered, or withdrawn from warehouse for consumption, under the specified HTS subheadings, for which the liquidation of duties has not become final under 9 U.S.C. 1514.
