BILLING CODE 4410-09-M

DEPARTMENT OF JUSTICE

Office of Justice Programs, National Institute of Justice

Agency Information Collection Activities: Proposed Collection; Comment Request

ACTION: Reinstatement, without change, of a previously approved collection for which approval has expired; Crime Mapping Survey.

The Department of Justice, Office of Justice Programs, National Institute of Justice, has submitted the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with emergency review procedures of the Paperwork Reduction Act of 1995. OMB approval has been requested by April 7, 2000. The proposed information collection is published to obtain comments from the public and affected agencies. If granted, the emergency approval is only valid for 180 days. Comments should be directed to OMB, Office of Information Regulation Affairs, Attention: Department of Justice Desk Officer (202) 396-3122, Washington, DC 20530.

During the first 60 days of this same review period, a regular review of this information collection is also being undertaken. All comments and suggestions, or questions regarding additional information, to include obtaining a copy of the proposed information collection instrument with instructions, should be directed to the Office of Research and Evaluation, National Institute Justice, 810 7th Street, NW, Washington, DC 20531, or via facsimile (202) 616-0275, Attention: La Vigne.

Request written comments and suggestions from the public and affected agencies concerning the proposed collection of information. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information,

including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information

(1) *Type of information collection:* Reinstatement, without change, of a previously approved collection for which approval has expired.

(2) *The title of the form/collection:* Crime Mapping Survey.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form: None. Office of Research and Evaluation, National Institute of Justice, Office of Justice Programs, United States Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Law enforcement agencies.

Other: None. This national survey is designed to determine the extent to which police departments, specifically crime analysts, are using computerized crime mapping. Surveys will be mailed to a randomly selected sample of police departments. The questionnaire will determine the level of crime mapping within departments, both in terms of hardware and software resources, as well as the types of maps that are produced and how they are used. The information collected from this survey will be used to advise the activities of the Crime Mapping Research Center.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* 2,798 respondents for an average of 33 minutes per response.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total hour burden to complete the nomination is 562.

If additional information is required contact: Mrs. Brenda E. Dyer, Deputy Clearance Officer, United States Department of Justice, Information Management and Security Staff, Justice Management Division, Suite 1220, National Place Building, 1331 Pennsylvania Ave., NW, Washington, D.C. 20530.

Dated: March 22, 2000.

Brenda E. Dyer,

Department Deputy Clearance Officer, United States Department of Justice.

BILLING CODE 7545-01-M

NUCLEAR REGULATORY COMMISSION

Agency Information Collection Activities; Proposed Collection; Comment Request

AGENCY: Nuclear Regulatory
Commission (NRC).

ACTION: Notice of pending NRC action to
submit an information collection
request to the Office of Management and
Budget (OMB) and solicitation of public
comment.

SUMMARY: The NRC is preparing a
submittal to OMB for review of
continued approval of information
collections under the provisions of the
Paperwork Reduction Act of 1995 (44
U.S.C. Chapter 35). The NRC hereby
informs potential respondents that an
agency may not conduct or sponsor, and
that a person is not required to respond
to, a collection of information unless it

displays a current valid OMB control
number.

Information pertaining to the
requirement to be submitted:

1. *The title of the information
collection:* NRC "Nuclear Material
Events Database (NMED)" for the
Collection of Event Report, Response,
Analyses, and Follow-up Data on Events
Involving the Use of Atomic Energy Act
(AEA) Radioactive Byproduct Material.

2. *Current OMB approval number:*
3150-0178

3. *How often the collection is
required:* Agreement States are
requested to provide copies of licensee
event reports electronically or by hard
copy to NRC on a monthly basis or
within 30 days of receipt from their
licensee. This schedule provides the
Agreement States 30 days to assess the
licensee information prior to providing
the information to NRC. Reportable
events involve the industrial,
commercial, medical use, and/or
academic use of radioactive byproduct
materials. In addition, Agreement States
are requested to report events that may
pose a significant health and safety
hazard to the NRC Headquarters
Operations Officer within the next
working day of notification by an
Agreement States licensee.

4. *Who is required or asked to report:*
Current Agreement States and any State
receiving Agreement State status in the
future.

5. *The number of annual respondents:*
31.

6. *The number of hours needed
annually to complete the requirement or
request:* 945 hours (an average of
approximately 1.0 hour per response)
for all existing Agreement States
reporting; any new Agreement State
would add approximately 29 event
reports (including follow-up reports) per
year or 29 burden hours.

7. *Abstract:* NRC regulations require
NRC licensees to report incidents and
events involving the use of radioactive
byproduct material, and source material,
such as those involving a radiation
overexposure, leaking or contaminated
sealed source(s), release of excessive
contamination of radioactive material,
lost or stolen radioactive material,
equipment failures, and abandoned well
logging sources. Medical

misadministrations are required to be
reported in accordance with 10 CFR
35.33. Agreement State licensees are
also required to report these events and
medical misadministrations to their
individual Agreement State regulatory
authorities under compatible Agreement
State regulations. NRC is requesting that
the Agreement States provide
information on the initial notification,

response actions, and follow-up
investigations on events and medical
misadministrations involving the use of
nuclear materials regulated pursuant to
the Atomic Energy Act. The event
information should be provided in a
uniform electronic format, for
assessment and identification of any
facility/site specific or generic safety
concerns that could have the potential
to impact public health and safety. The
identification and review of safety
concerns may result in lessons learned,
and may also identify generic issues for
further study which could result in
proposals for changes or revisions to
technical or regulatory designs,
processes or standards.

Submit by May 30, 2000, comments
that address the following questions:

1. Is the proposed collection of
information necessary for the NRC to
properly perform its functions? Does the
information have practical utility?

2. Is the burden estimate accurate?

3. Is there a way to enhance the
quality, utility, and clarity of the
information to be collected?

4. How can the burden of the
information collection be minimized,
including the use of automated
collection techniques or other forms of
information technology?

A copy of the draft supporting
statement may be viewed free of charge
at the NRC Public Document Room,
2120 L Street, NW (lower level),
Washington, DC. OMB clearance
requests are available at the NRC World
Wide Web site ([http://www.nrc.gov/
NRC/PUBLIC/OMB/index.html](http://www.nrc.gov/NRC/PUBLIC/OMB/index.html)). The
document will be available on the NRC
home page site for 60 days after the
signature date of this notice.

Comments and questions may be
directed to the NRC Clearance Officer,
Brenda Jo. Shelton, U. S. Nuclear
Regulatory Commission, T-6 E6,
Washington, DC 20555-000, by
telephone at 301-415-7233, or by
Internet electronic mail at
BJS1@NRC.GOV.

Dated at Rockville, Maryland, this 22nd
day of March 2000.

For the Nuclear Regulatory Commission.
