Decision and Order of the Department of Energy

Implementation of Special Refund Procedures

Name of Firm: ARGO Petroleum Corp., *et al.*

Date of Filing: October 19, 1999.

Case Number: VEF-0031, *et al.*

On October 29, 1999, the Office of Hearings and Appeals (OHA) of the Department of Energy (DOE) issued a Proposed Decision and Order (PDO) concerning a Petition for Implementation of Special Refund Procedures filed by the DOE's Office of General Counsel for Federal Litigation. The PDO is issued as Appendix B to the present determination.

In the PDO, we invited comments regarding a proposal to disburse

\$9,126,580.83 plus interest, received from 17 firms that sold crude oil during the period August 17, 1973 through January 1981. The names of the firms and the amounts received from each are set forth in Appendix A to this determination. The funds were remitted in order to settle actual or alleged violations of the DOE's mandatory petroleum price and allocation regulations. 10 CFR Parts 211 and 212. We allowed a 30-day period in which to provide comments regarding the manner in which these funds would be disbursed. The comment period is now closed. We received no comments regarding our proposal. We are therefore issuing final procedures for disbursing the funds.

The monies, including all additional interest that has accrued since the issuance of the October 29 PDO, will be disbursed as

set forth in the appended PDO. As the PDO states, the funds will be disbursed as provided for in the DOE's Statement of Modified Restitutionary Policy in Crude Oil Cases. 51 Fed. Reg. 27899 (August 4, 1986) (the SMRP). Therefore, the funds will be divided as follows: 20 percent will be reserved for direct restitution to injured parties; the remaining 80 percent will be disbursed in equal shares to the states and the federal government for indirect restitution. As stated above, in this case, the total amount available for disbursement, not including interest, is \$9,126,580.83. This fund shall be disbursed as follows: \$1,825,316.16 plus 20 percent of all accrued interest as of the date of the funds transfer shall be deposited into the DOE interest-bearing account for crude oil overcharge
