SUPPLEMENTARY INFORMATION:

Title: (7 CFR part 762) Guaranteed Farm Loans

OMB Control Number: 0560-0155.

Expiration Date of Approval: June 30, 2000.

Type of Request: Extension of a currently approved information collection.

Abstract: Section 309(h) of the Consolidated Farm and Rural Development Act (CONACT) (7 U.S.C. 1929(h)) authorizes the Secretary of Agriculture to guarantee loans for CONACT purposes made by legally authorized lending agencies to eligible farmers and ranchers. FSA must assure that farmers and ranchers, joint operators, farm cooperatives, private domestic corporations and partnerships that are controlled by farmers and ranchers engaged primarily and directly in farming or ranching in the United States comply with CONACT requirements and implementing regulations at 7 CFR part 762 in order to obtain the requested assistance. A guaranteed farm ownership loan applicant, for example, must be a citizen of the United States; own and operate or become the owner and operator of not larger than a family size farm; and be unable to obtain sufficient credit elsewhere at reasonable rates and terms. The reporting and record keeping requirements imposed on the public by regulations set out in 7 CFR part 762 are necessary to administer the Farm Loan Programs (FLP) guaranteed loan program in accordance with the statutory requirements listed above and are consistent with commonly performed lending practices. Periodic collection of information after loans are made is necessary to protect the Government's financial interest. The information is stored in the FSA county

office loan files or state office lender files.

Estimate of Burden: Public reporting for this collection of information is estimated to average 46 minutes per response.

Respondents: Individuals or households, businesses or other for profits, and farms.

Estimated Number of Respondents: 14,500.

Estimated Number of Responses per Respondent: 20.24.

Estimated Number of Responses: 293,538.

Estimated Total Annual Burden on Respondents: 226,935 hours.
