**Court Metal Finishing, Inc., Flint, MI;  
Notice of Affirmative Determination  
Regarding Application for  
Reconsideration**

By letter of February 2, 2000, petitioners request administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for NAFTA-Transitional Adjustment Assistance (NAFTA-3578) for workers or the subject firm. The denial notice was signed on January 6, 2000, and published in the **Federal Register** on January 14, 2000 (65 FR 2433).

The petitioners present information regarding customer imports from Mexico of articles like or directly competitive with those produced at the workers' firm.

**Conclusion**

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, D.C. this 31st day of March 2000.
