

part 71) amends Class E airspace at McMinnville, TN for the Columbia River Park Hospital.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979), and (3) does not warrant preparation of a Regulatory Evaluation, as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

14 CFR Part 71

[Airspace Docket No. 00–ASO–6]

Amendment of Class E Airspace; Dayton, TN

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action amends Class E airspace at Dayton, TN. A Global Positioning System (GPS) Standard Instrument Approach Procedure (SIAP), helicopter point in space approach, has been developed for Bledsoe County Hospital, Pikeville, TN. As a result, additional controlled airspace extending upward from 700 feet Above Ground Level (AGL) is needed to accommodate the SIAP. This action amends the Class E5 airspace for Dayton, TN, to the northwest, in order to include the point in space approach serving Bledsoe County Hospital.

EFFECTIVE DATE: 0901 UTC, June 15, 2000.

SUPPLEMENTARY INFORMATION:

History

On February 18, 2000, the FAA proposed to amend part 71 of the Federal Aviation Regulations (14 CFR part 71) by amending Class E airspace at Dayton, TN, (65 FR 8326). This action provides adequate Class E airspace for IFR operations at the Bledsoe County Hospital. Designations for Class E airspace extending upward from 700

feet or more above the surface are published in paragraph 6005 of FAA Order 7400.9G, dated September 1, 1999, and effective September 16, 1999, which is incorporated by reference in 14 CFR part 71.1. The Class E designation listed in this document will be published subsequently in the Order.

Interested parties were invited to participate in this rulemaking proceeding by submitting written comments on the proposal to the FAA. No comments objecting to the proposal were received.

The Rule

This amendment to part 71 of the Federal Aviation Regulations (14 CFR part 71) amends Class E airspace at Dayton, TN, for the Bledsoe County Hospital.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (14 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation, as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

RAILROAD RETIREMENT BOARD

20 CFR Part 219

RIN 3220-AB43

Evidence Required for Payment

AGENCY: Railroad Retirement Board.

ACTION: Final rule.

SUMMARY: The Railroad Retirement Board (RRB) hereby amends its regulations to permit the use of noncertified copies and facsimile copies of records or documents needed to establish eligibility for benefits under the Railroad Retirement Act. These amendments will make it easier for individuals to apply for benefits under the Act.

DATES: Effective May 15, 2000.

FOR FURTHER INFORMATION CONTACT:

Marguerite P. Dadabo, Senior Attorney, (312) 751-4945, TTD (312) 751-4701.

SUPPLEMENTARY INFORMATION: In order to receive benefits under the Railroad Retirement Act an individual may be required to provide proof of age, marriage, divorce, or death. Section 219.6 of the Board's regulations generally required that where a claimant must provide a record or document to

establish an eligibility requirement, the original or a certified copy of such document or record must be provided. This requirement proved burdensome for claimants. Many claimants wish to transmit their documentary evidence electronically by use of telefax devices. Consequently, the Board amends its regulations to permit the use of uncertified copies and facsimiles of certain official records when the official custodian of such records transmits the facsimile directly to an office of the Board and the source of the transmittal is clearly identified on the facsimile. In addition, the Board amends its regulations to permit Board employees to certify translations of foreign documents.

On November 26, 1999, the Board published this rule as a proposed rule (64 FR 66433), inviting comments on or before January 25, 2000. No comments were received.

The Board, with the concurrence of the Office of Management and Budget, has determined that this is not a significant regulatory action under Executive Order 12866; therefore, no regulatory impact analysis is required. There are no information collections associated with this rule.

List of Subjects in 20 CFR Part 219

Pensions, Railroad employees, Railroad retirement.

For the reasons set out in the preamble, the Railroad Retirement Board amends chapter II of title 20 of the Code of Federal Regulations as follows:

PART 219—EVIDENCE REQUIRED FOR PAYMENT

1. The authority citation for part 219 continues to read as follows:

Authority: 45 U.S.C. 231f.

2. In § 219.6 the section heading and paragraphs (a) and (b) are revised, and a new paragraph (d) is added to read as follows:

§ 219.6 Records as evidence.

(a) *General.* If a claimant or an annuitant provides an original document or record as evidence to prove eligibility or continued entitlement to payments, where possible, a Board employee will make a photocopy or transcript of these original documents or records and return the original documents to the person who furnished them. A claimant may also submit certified copies of original records as described in paragraph (c) of this section. The Board may also accept uncertified copies as described in paragraph (d) of this section.

(b) *Foreign-language documents.* If the evidence submitted is a foreign-language document, the Board may require that the record be translated. An acceptable translation includes, but is not limited to, a translation certified by a United States consular official or employee of the Department of State authorized to certify evidence, or by an employee of the Board or the Social Security Administration.

* * * * *

(d) *Uncertified copies and facsimiles.* In lieu of certified paper copies of records or extracts from such official sources as listed in paragraph (c) of this section, the Board will accept facsimile copies of such records or extracts when the official custodian of such records transmits the facsimile directly to an office of the Board and the source of the transmittal is clearly identified on the facsimile.

Dated: March 24, 2000.

By Authority of the Board.

For the Board.

Beatrice Ezerski,

Secretary to the Board.
