The purposes of the proposed action include: (1) Improving traffic flow and levels of service on the section of US 64 in the project study area; (2) Relieving congestion on US 64 in the City of Asheboro, thereby improving safety and reducing the number of accidents; (3) Improving access to the NC Zoological Park; and (4) Improving high-speed regional travel along the US 64 intrastate corridor.

Alternatives under consideration include: (1) No-Build Alternative; (2) Transportation Systems Management (TSM) Measures; (3) Mass Transit Alternative; (4) Improving the existing facility; and (5) Constructing a facility on new location south of existing US 64.

Letters describing the proposed action and soliciting comments have been sent to appropriate Federal, State and local agencies. Public information meetings, meetings with local officials, and a public hearing will be held. Information on the time and place of the public
