

speak after previously scheduled speakers. Speakers who want more than five minutes should indicate the length of time desired in their request. Depending on the number of speakers, DOE may need to limit speakers to five minutes initially, and provide additional opportunities as time permits. Speakers may also provide written materials to supplement their presentations. Oral and written comments will be given equal consideration.

DOE will begin the meeting with an overview of the proposed Kentucky Pioneer IGCC Demonstration Project. The meeting will not be conducted as an evidentiary hearing, and speakers will not be cross-examined. However, speakers may be asked questions to help ensure that DOE fully understands their comments or suggestions. A presiding officer will establish the order of speakers and provide any additional procedures necessary to conduct the meeting.

Issued in Washington, DC, this 10th day of April, 2000.

David Michaels,

Assistant Secretary, Environment, Safety and Health.
