Marquette Energy, L.L.C. (Marquette Energy) submitted for filing a rate schedule under which Marquette Energy will engage in wholesale electric power and energy transactions as a marketer. Marquette Energy also requested waiver of various Commission regulations. In particular, Marquette Energy requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Marquette Energy.

On March 29, 1999, pursuant to delegated authority, the Director, Division of Corporate Applications, Office of Markets, Tariffs and Rates, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Marquette Energy should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedures (18 CFR 385.211 and 385.214).

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Marquette Energy's

issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is April 28, 2000.
