

letter issued in this docket on April 7, 2000 and a revised FERC Electric Tariff, Original Volume No. 1.

Copies of the filing were served upon parties to the above-captioned proceeding and the Michigan Public Service Commission.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before April 24, 2000. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. East Tennessee Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff

April 14, 2000.

Take notice that on April 12, 2000, East Tennessee Natural Gas Company (East Tennessee) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the tariff sheets listed in Appendix A to the filing, to be effective May 1, 2000:

East Tennessee states that, on March 14, 2000, East Tennessee was acquired from El Paso Energy (El Paso) and became a wholly owned subsidiary of Duke Energy Corporation (Duke). East Tennessee states that, pursuant to the Stock Purchase Agreement, El Paso entered into a Transition Agreement to ensure the smooth operation of the East Tennessee pipeline system for a period of up to nine months from the closing date (transition period). Among other things, the Transition Agreement requires El Paso to perform certain

capacity management activities on behalf of East Tennessee for the daily operations of the system during the transition period.

East Tennessee states that, as part of El Paso's transition to interactive Internet communications in compliance with the Commission's Order No. 587-I, El Paso has undertaken a major rewrite of its pipelines' critical computer system functions (the "PASSKEY" system). El Paso has advised Duke that it intends to complete the move to the Internet by May 1, 2000. East Tennessee states that, because El Paso will be performing certain capacity management activities for East Tennessee utilizing the PASSKEY System during the transition period, East Tennessee is modifying its existing tariff and pro forma service agreements to reflect the system and tariff changes made by the El Paso pipelines.

East Tennessee states that the purpose of this filing is to obtain Commission approval for the tariff modifications in East Tennessee's tariff mirroring the El Paso pipelines' proposals in order to implement the PASSKEY System rewrite and the Service Upgrades by May 1, 2000 for the duration of the transition period and to update East Tennessee's mailing addresses and contact information as a result of the acquisition by Duke. At the end of the transition period, East Tennessee will file revised tariff sheets to reflect the end of the transition period and the implementation of the LINKr System for East Tennessee, and will make any additional changes necessary to conform the operations of the East Tennessee pipeline system with those of the other Duke pipelines.

East Tennessee states that copies of its filing have been mailed to all affected customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. [Docket No. GT00-25-000]

TransColorado Gas Transmission Company; Notice of Tariff Filing

April 14, 2000.

Take notice that on April 12, 2000, TransColorado Gas Transmission Company (TransColorado) tendered for filing to become part of its FERC Gas Tariff, Original Volume No. 1, the tariff sheets listed to Appendix A to the filing, to be effective May 15, 2000.

TransColorado states that due to a change in the TransColorado partnership, changes have been proposed to modify the reference to the person to whom communications should be addressed regarding TransColorado's tariff and references to a former partner, El Paso TransColorado Company, have been removed. In addition, miscellaneous tariff "clean-up" type revisions have also been made.

TransColorado states that a copy of this filing has been served upon TransColorado's customers, the Colorado Public Utilities Commission and New Mexico Public Regulatory Commission.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. [Project No. 2000-010]

New York Power Authority; Notice of Proposed Restricted Service List for a Programmatic Agreement for Managing Properties Included in or Eligible for Inclusion in the National Register of Historic Places

April 14, 2000.

Rule 2010 of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedure provides that, to eliminate unnecessary expense or improve administrative efficiency, the Secretary may establish a restricted service list for a particular phase or issue in a proceeding.¹ The restricted service list should contain the names of persons on the service list who, in the judgment of the decisional authority establishing the list, are active participants with respect to the phase or issue in the proceeding for which the list is established.

The Commission staff is consulting with the New York State Historic Preservation Officer (hereinafter, SHPO) and the Advisory Council on Historic Preservation (hereinafter, Council) pursuant to the Council's regulations, 36 CFR Part 800, implementing Section 106 of the National Historic Preservation Act, as amended (16 U.S.C. Section 470 f), to prepare a Programmatic Agreement for managing properties included in, or eligible for inclusion in, the National Register of Historic Places at the St. Lawrence-FDR Power Project (Project No. 2000-010).

The Programmatic Agreement, when executed by the Commission, the SHPO, and the Council, would satisfy the Commission's section 106 responsibilities for all individual undertakings, carried out in accordance with the license until the license expires or is terminated (36 CFR 800.14). The Commission's responsibilities pursuant to Section 106 for the above project would be fulfilled through the Programmatic Agreement, which the Commission proposes to draft in consultation with certain parties listed

¹ 18 CFR 385.2010.
