Indian Education Formula Grants to Local Educational Agencies; Notice Inviting Applications for Awards for Fiscal Year (FY) 2000

Purpose of Program: The Indian Education Formula Grant program provides grants to support local educational agencies in their efforts to reform elementary and secondary school programs that serve Indian students. The programs funded are to be based on challenging State content standards and State student performance standards used for all students, and be designed to assist Indian students to meet those standards.

Eligible Applicants: Local educational agencies (LEAs) and certain schools funded by the Bureau of Indian Affairs, and Indian tribes under certain conditions.

Deadline for Transmittal of Applications: June 2, 2000. Applications not meeting the deadline will not be considered for funding in the initial allocation of awards. However, if funds become available after the initial allocation of funds, applications not meeting the deadline may be considered for funding if the Secretary determines under section 9117(d) of the Elementary and Secondary Education Act of 1965, as amended, that reallocation of those funds to late applicants would best assist in advancing the purposes of the program. However, the amount and date of an individual award, if any is made

under this provision, may be less than the applicant would have received had the application been submitted on time.

Deadline for Intergovernmental Review: August 2, 2000.

Applications Available: April 24, 2000.

Available Funds: The appropriation for this program for fiscal year 2000 is \$62,000,000, which should be sufficient to fund all eligible applicants.

Estimated Range of Awards: \$3,000 to \$1,400,000.

Estimated Average Size of Awards: \$48,818.

Estimated Number of Awards: 1,270.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 60 months.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 80, 81, 82, 85, 86, 97, 98, and 99.
