

DEPARTMENT OF TREASURY**Internal Revenue Service****Announcement of Open Membership Application Period for the Information Reporting Program Advisory Committee**

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Announcement of Open Membership Application Period for the Information Reporting Program Advisory Committee.

SUMMARY: In 1991 the Internal Revenue Service (IRS) established the Information Reporting Program Advisory Committee (IRPAC) at the request of the United States Congress. The primary purpose of IRPAC is to provide an organized public forum for discussion of relevant information reporting issues between officials of the IRS and representatives of the payer/practitioner community. IRPAC offers constructive observations about current or proposed policies, programs, and procedures, and when necessary, suggests ways to improve the operation of the Information Reporting Program (IRP). IRPAC is currently comprised of representatives from various segments of the private-sector payer/practitioner community. About half of the appointments to IRPAC will expire at the end of this year. Additional members will be selected for two-year terms beginning in January next year. The IRS is interested in representation from different areas of the payer/practitioner community.

SUPPLEMENTARY INFORMATION: IRPAC currently reports to the National Director, Office of Specialty Taxes, who is the executive responsible for ensuring and facilitating compliance by payers with information reporting requirements. IRPAC is instrumental in providing advice to enhance the IRP Program. Increasing participation by external stakeholders in the planning and improvement of the tax system will help achieve the goals of increasing voluntary compliance, reducing burden, and improving customer service. IRPAC members are not paid for their time or services, but consistent with Federal regulations, they are reimbursed for their travel and lodging expenses to attend one orientation meeting and two public meetings each year. IRPAC members are expected to attend and pay their own way to four working sessions each year, which are generally held in Washington, DC. Occasionally, some of these working sessions may be held

outside of the Metropolitan Washington, DC area.

Anyone wishing to be considered for membership on IRPAC should so advise the IRS by the required deadline. Please complete the following application questionnaire (or a facsimile thereof prepared on a word processor), and forward it to Ms. Kate LaBuda of the Office of Payer Compliance, at the address below. Completed questionnaires should not be submitted by e-mail.
