

Executive Order 12630—Takings

This rule does not have takings implications. This determination is based on the analysis performed for the counterpart federal regulation.

Executive Order 13132—Federalism

This rule does not have federalism implications. SMCRA delineates the roles of the federal and state governments with regard to the regulation of surface coal mining and reclamation operations. One of the purposes of SMCRA is to “establish a nationwide program to protect society and the environment from the adverse effects of surface coal mining operations.” Section 503(a)(1) of SMCRA requires that state laws regulating surface coal mining and reclamation operations be “in accordance with” the requirements of SMCRA, and section 503(a)(7) requires that state programs contain rules and regulations “consistent with” regulations issued by the Secretary pursuant to SMCRA.

Executive Order 12988—Civil Justice Reform

The Department of the Interior has conducted the reviews required by section 3 of Executive Order 12988 and has determined that, to the extent allowed by law, this rule meets the applicable standards of subsections (a) and (b) of that section. However, these standards are not applicable to the actual language of state regulatory programs and program amendments since each such program is drafted and promulgated by a specific state, not by OSM. Under sections 503 and 505 of SMCRA (30 U.S.C. 1253 and 1255) and 30 CFR 730.11, 732.15, and 732.17(h)(10), decisions on proposed state regulatory programs and program amendments submitted by the states must be based solely on a determination of whether the submittal is consistent with SMCRA and its implementing federal regulations and whether the other requirements of 30 CFR Parts 730, 731, and 732 have been met.

National Environmental Policy Act

Section 702(d) of SMCRA (30 U.S.C. 1292(d)) provides that a decision on a proposed state regulatory program provision does not constitute a major federal action within the meaning of section 102(2)(C) of the National Environmental Policy Act (NEPA) (42 U.S.C. 4332(2)(C)). A determination has been made that such decisions are categorically excluded from the NEPA process (516 DM 8.4.A).

Paperwork Reduction Act

This rule does not contain information collection requirements that require approval by the Office of Management and Budget under the Paperwork Reduction Act (44 U.S.C. 3507 *et seq.*).

Regulatory Flexibility Act

The Department of the Interior has determined that this rule will not have a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). The State submittal which is the subject of this rule is based upon counterpart Federal regulations for which an economic analysis was prepared and certification made that such regulations would not have a significant economic effect upon a substantial number of small entities. Accordingly, this rule will ensure that existing requirements previously promulgated by OSM will be implemented by the State. In making the determination as to whether this rule would have a significant economic impact, the Department relied upon the data and assumptions for the counterpart Federal regulations.

Small Business Regulatory Enforcement Fairness Act

This rule is not a major rule under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. This rule:

- Does not have an annual effect on the economy of \$100 million.
- Will not cause a major increase in costs or prices for consumers, individual industries, federal, state, or local government agencies, or geographic regions.
- Does not have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of U.S. based enterprises to compete with foreign-based enterprises.

This determination is based upon the fact that the state submittal which is the subject of this rule is based upon counterpart federal regulations for which an analysis was prepared and a determination made that the federal regulation was not considered a major rule.

Unfunded Mandates

This rule will not impose a cost of \$100 million or more in any given year on any governmental entity or the private sector.

[CGD 08–99–066]

RIN 2115–AE46

Special Local Regulations: Eighth Coast Guard District Annual Marine Events

AGENCY: Coast Guard, DOT.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to revise Table 1 to 33 CFR 100.801, the list of annual marine events that occur within the Eighth Coast Guard District. This proposed revision reflects additions and deletions of annual marine events from the previously published table.

DATES: Comments and related material must reach the Coast Guard on or before May 30, 2000.

ADDRESSES: You may mail comments and related material to Commander (dl), Eighth Coast Guard District, 501 Magazine Street, New Orleans, LA 70130–3396. Commander (dl) maintains the public docket for this rulemaking. Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, will become part of this docket and will be available for inspection and copying at the District Legal Office, Room 1311, Hale Boggs Federal Building, 501 Magazine Street, New Orleans, LA. Office hours are between 8 a.m. and 4 p.m., Monday through Friday, except holidays. Comments may also be hand delivered to this address.

FOR FURTHER INFORMATION CONTACT: Project Attorney, Lieutenant Junior Grade Curtis Borland at Commander (dl), Eighth Coast Guard District, 501 Magazine Street, New Orleans, LA 70130–3396, (504) 589–6188.

SUPPLEMENTARY INFORMATION:**Request for Comments**

The Coast Guard encourages interested persons to participate in this rulemaking by submitting written data, views, or arguments. Persons submitting comments should include their name

and address, identify this rulemaking [CGD 08–99–066] and the specific section of this document to which each comment applies, and give a reason for each comment. The comment period for this proposed regulation is 30 days. This time period is adequate to allow local input because the events occur annually and are highly publicized. The shortened comment period will allow the full 30-day publication requirement prior to the final rule becoming effective. Please submit two copies of all comments and attachments in an unbound format, no larger than 8.5 by 11 inches, suitable for copying and electronic filing. Persons wanting acknowledgment of receipt of comments should enclose a stamped, self-addressed postcard or envelope. The Coast Guard will consider all comments received during the comment period. The Coast Guard may change this proposed rule in view of the comments.

Public Meeting

The Coast Guard plans no public hearing. Persons may request a public hearing by writing to the Project Attorney at the address under **ADDRESSES** explaining why one would be beneficial. If it is determined that a public hearing would aid this rulemaking, the Coast Guard will hold a public hearing at a time and place announced by a later notice in the **Federal Register**.

Background and Purpose

This rulemaking will update the existing list of anticipated annual marine events in the Eighth Coast Guard District, providing interested parties, mariners and recreational boaters with sufficient notice of date, time and place of these annual marine events.

Regulatory Evaluation

This proposed rule is not a “significant regulatory action” under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979).

The Coast Guard expects the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary. The economic impact is not significant because this proposed rule serves only to update an already existing list of marine events

and does not change the process for reviewing such occurrences.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), the Coast Guard considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated, and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule will not have a significant economic impact on a substantial number of small entities. The segments of the listed waterways regulated are the minimum necessary to assure the safety of life and property on or adjacent to navigable waters. These regulations are relatively brief in duration and will only affect marine traffic. If, however, you think your business, organization or governmental jurisdiction qualifies as a small entity and this proposed rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this proposed rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), the Coast Guard encourages small businesses to participate in this rulemaking. The Coast Guard will assist small entities in understanding this proposed rule so that they can better evaluate the rule’s effect on them. If your small business or organization is affected by this rule and you have questions concerning its provisions or options for compliance, contact Project Attorney, Lieutenant Junior Grade Curtis Borland at Commander (dl), Eighth Coast Guard District, 501 Magazine Street, New Orleans, LA 70130–3396, (504) 589–6188.

Collection of Information

No information is collected under this proposed rule. This rule complies with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

The Coast Guard has analyzed this proposed rule under E. O. 13132 and has determined that this proposed rule does not have implications for federalism under that order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government, or the private sector, to incur direct costs without the Federal Government’s having first provided the funds to pay those costs. This proposed rule would not impose an unfunded mandate.

Taking of Private Property

This proposed rule would not effect a taking of private property or otherwise have taking implications under E. O. 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of E. O. 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

The Coast Guard has analyzed this proposed rule under E. O. 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

The Coast Guard is proposing to revise its list of recurring marine events. The listing itself will not affect the environment. When an event application is received, the Coast Guard will conduct an environmental analysis for the event. Under figure 2–1 paragraph, (34)(h) of Coast Guard Commandant Instruction M16475.1C, this proposed revision is categorically excluded from further environmental documentation.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

Final Regulations

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 100 as follows:

PART 100—[AMENDED]

1. The authority citation for Part 100 continues to read as follows:

Authority: 33 U.S.C. 1233; 49 CFR 1.46; and 33 CFR 100.35.

Forest Service

RIN 0596—AB67

Administration of the Forest Development Transportation System; Prohibitions; Use of Motor Vehicles Off Forest Service Roads

AGENCY: Forest Service, USDA.

ACTION: Proposed rule; extension of public comment period.

SUMMARY: On March 3, 2000, in Part III, of the **Federal Register**, the Forest Service published a proposed rule revising regulations concerning the development, use, maintenance, and

management of the national forest transportation system (65 FR 11680). A number of organizations have requested an extension of the public comment period. In considering these requests, the agency has determined that the public initially had difficulty obtaining a copy of the proposed rule and accompanying documents. Additionally, the agency has concluded that a limited extension will not impede adoption of the final rule. Therefore, the agency is extending the comment period for 15 calendar days. Because the proposed rule was accompanied by a related proposed administrative policy, the agency, by separate notice in today's **Federal Register**, also is extending the comment period on the proposed policy for 15 calendar days.

DATES: Comments must be received in writing by May 17, 2000.

ADDRESSES: Send written comments to USDA, CAET, Attention: Roads, P. O. Box 221090, Salt Lake City, UT 84122. Send comments electronically to roads/wo_caet-slc@fs.fed.us.

All comments received, including names and addresses when provided, are placed in the record and are available for public inspection and copying at Forest Service, 201 14th Street SW, Washington, D.C. 20250. Persons wishing to inspect the comments are encouraged to call 202–205–1400 to facilitate building entrance.
