AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of continuation of antidumping duty orders and countervailing duty orders: Brass sheet and strip from Brazil, Canada, France, Italy, Germany, and Japan.

SUMMARY: On September 3, 1999 (with respect to Brazil, France, and Italy), on September 14, 1999 (with respect to Germany and Japan), and on November 11, 1999 (with respect to Canada), the Department of Commerce ("the Department"), pursuant to sections 751(c) and 752 of the Tariff Act of 1930, as amended ("the Act"), determined that revocation of the antidumping duty orders on brass sheet and strip from Brazil, France, Italy, Germany, Japan, and Canada, and the countervailing duty orders on brass sheet and strip from Brazil and France, would be likely to lead to continuation or recurrence of dumping or a countervailable subsidy (64 FR 48351, 48351, 48348, 49767, 49765, 66165, 48367, 48369, respectively). On April 18, 2000, the International Trade Commission ("the Commission"), pursuant to section 751(c) of the Act, determined that revocation of these antidumping and countervailing duty orders on brass sheet and strip would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time (65 FR 5369). Therefore, pursuant to 19 CFR 351.218(f)(4), the Department

is publishing notice of the continuation of antidumping duty orders on brass sheet and strip from Brazil, France, Italy, Germany, Japan, and Canada, and the countervailing duty orders on brass sheet and strip from Brazil and France.

SUPPLEMENTARY INFORMATION:

Background

On February 1, 1999, the Department initiated, and the Commission instituted, sunset reviews (64 FR 4840 and 64 FR 4892, respectively) of the antidumping duty orders on brass sheet and strip from Brazil, France, Italy, Germany, Japan, and Canada, and the countervailing duty orders on brass sheet and strip from Brazil and France, pursuant to section 751(c) of the Act. As a result of its reviews, the Department found that revocation of the antidumping duty orders would likely lead to continuation or recurrence of dumping and notified the Commission of the magnitude of the margins likely to prevail were the orders to be revoked.¹ In addition, the Department determined that revocation of the countervailing duty orders would likely lead to continuation or recurrence of countervailable subsidies and notified the Commission of the net countervailable subsidies likely to prevail were the order revoked.²

On April 18, 2000, the Commission determined, pursuant to section 751(c) of the Act, that revocation of the antidumping duty orders on brass sheet and strip from Brazil, France, Italy, Germany, Japan, and Canada, and the countervailing duty orders on brass sheet and strip from Brazil and France, would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a
