Natural Gas Pipeline Company of America; Notice of Proposed Changes in FERC Gas Tariff

April 28, 2000.

Take notice that on April 25, 2000, Natural Gas Pipeline Company of America (Natural) tendered for filing as part of its FERC Gas Tariff, Sixth Revised Volume No. 1. Original Sheet No. 26J.

Natural states that the purpose of this filing is to implement a negotiated rate transaction with the Peoples Gas Light and Coke Company (Peoples) under Natural's Rate Schedule ITS pursuant to Section 49 of the General Terms and Conditions of Natural's tariff.

Natural concurrently tenders by a separate filing in Docket No. RP99-176-018 its negotiated rate agreement (Agreement) between Natural and Peoples.

Natural states that the negotiated rate Agreement does not deviate in any material respects from the applicable form of service agreement in Natural's Tariff. Natural states that it submits the Agreement as an aid to Commission Staff because it provides a more detailed explanation of the pricing terms related to the transaction. Key provisions of the Agreement include guaranteed revenue, unhedged and unscheduled quantity adjustments, and the trigger agreement. Natural also states that the above pricing terms were critical to the Agreement by both parties and to the resulting negotiated rates.

Natural requests that Original Sheet No. 26J and the related Agreement to become effective April 25, 2000.

Natural states that copies of the filing are being mailed to Natural's customers, interested state commissions and all parties set out on the Commission's official service list in Docket No. RP99-176.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C.

:April 28, 2000.

On March 13 and 28, 2000, the Kansas Corporation Commission (KCC) sponsored two informal settlement conferences for the purpose of initiating settlement discussions potentially leading to a resolution of all the Kansas ad valorem proceedings. During the March 28 conference, the participants agreed that settlement negotiations among all interested parties should be pursued separately for each pipeline involved with the Kansas ad valorem tax refund issues.

The participants interested in the Panhandle Eastern Pipe Line Company docket also reached a consensus that the informal settlement conference agreed upon should be notices by the Secretary of the Federal Energy Regulatory Commission (Commission) and that the Commission's settlement regulations apply to the informal settlement process. Consistent with the previous two settlement conferences, the Director of the Commission's Dispute Resolution Service and the KCC will attend the conference and facilitate the settlement negotiations.
