 NMFS has accepted an application for an EFP that would most likely take place in the summer and fall of 2000 with roundhaul gear.

Others wanting to participate in the fishery must submit applications to the Regional Administrator (SEE ADDRESSES), which must provide the required information specified at 50 CFR 600.745(b). Exempted fishing permits may require that the permittee carry an observer at the permittee's expense, keep accurate records of bycatch, and make other necessary reports.

Applications will be discussed at the June 23–26, 2000, meeting of the Pacific Fishery Management Council, which will be held at the Doubletree Hotel Columbia River in Portland OR, 1401 N. Hayden Island Drive, Portland, OR 97217. The decision on whether to issue any EFP and determinations on any EFP will be based on a number of considerations, including recommendations made by the Council and comments received from the public. A copy of the application is available for review at the NMFS Southwest Regional Office. (SEE ADDRESSES).

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency’s ability to perform its statutory obligations. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.
