SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-42725; File No. SR-EMCC-00-02]

Self-Regulatory Organizations; Emerging Markets Clearing Corporation; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Fees

April 26, 2000.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on March 31, 2000, the Emerging Markets Clearing Corporation ("EMCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared primarily by EMCC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested parties.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change revises EMCC's fee schedule to include a charge for reprocessing cancelled trade instructions.

II. Self-Regulatory Organization's Statement of the Purpose of, Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, EMCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. EMCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.²

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

EMCC monitors all trade settlements. On occasion, members cancel trade instructions submitted by EMCC to Euroclear. When this occurs, EMCC must reinstate the trade instructions. EMCC has determined to charge a fee of \$250.00 for the reprocessing of such trade instructions.

EMCC believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to EMCC and in particular with Section 17A(b)(3)(F) of the Act because the rule change provides for the equitable allocation of dues, fees, and other charges among EMCC's participants.

(B) Self-Regulatory Organization's Statement on Burden on Competition

EMCC does not believe that the proposed rule change will have an impact on or impose any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments relating to the proposed rule change have been solicited or received. EMCC will notify the Commission of any written comments received by EMCC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii)³ of the Act and Rule 19b-4(f)(2)⁴ promulgated thereunder because the proposal establishes or changes a due, fee, or other charge imposed by EMCC. At any time within

sixty days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street, NW, Washington, DC 20549. Copies of such filing also will be available for inspection and copying at the principal office of EMCC.

All submissions should refer to File No. SR-EMCC-00-02 and should be submitted by May 24, 2000.

For the Commission by the Division of Market Regulation, pursuant to delegated authority.⁵
