Applicants' Representations

1. Each Trust is an open-end management investment company registered under the Act and consists of several portfolios ("Portfolios"). SIMC is an investment adviser registered under the Investment Advisers Act of 1940 (the "Advisers Act") and is a wholly-owned subsidiary of SEI Investments

Company. SIMC serves as investment adviser to the Portfolios. The assets of certain Portfolios ("Multi-Managed Portfolios") are allocated by SIMC among two or more subadvisers ("Subadvisers"). Each Subadviser had discretion to purchase and sell securities for a discrete portion of a Portfolio's assets in accordance with the Portfolio's objectives, policies, and restrictions. Each Subadviser is registered under the Advisers Act or is exempt from registration under the Advisers Act. Each Subadviser is compensated based on a percentage of the value of assets allocated to that Subadviser. SIMC may directly advise a discrete portion of a Portfolio.

2. Applicants request relief to permit: (a) A portion of a Multi-Managed Portfolio ("Unaffiliated Portion") to engage in principal transactions with a broker-dealer that is, or is an affiliated person of, a Subadviser to another portion of the Multi-Managed Portfolio ("Affiliated Broker-Dealer") and to purchase securities in an underwriting in which an Affiliated Broker-Dealer acts as principal underwriter; (b) an Affiliated Broker-Dealer to provide brokerage services to an Unaffiliated Portion without complying with the requirements of subsections (b) and (c) of rule 17e-1 under the Act; (c) a portion of a Multi-Managed Portfolio advised by a Subadviser affiliated with the Affiliated Broker-Dealer ("Affiliated Subadviser") to purchase securities during the existence of an underwriting syndicate, a principal underwriter of which is an Affiliated Subadviser or an affiliated person of an Affiliated Subadviser, in accordance with the conditions of rule 10f-3 under the Act, except that paragraph (b)(7) of the rule would not require the aggregation of purchases of the portion of the Portfolio affiliated with the Affiliated Subadviser ("Affiliated Portion") with purchases by an Unaffiliated Portion; and (d) an Unaffiliated Portion to purchase securities issued by an Affiliated Subadviser, or an affiliated person of an Affiliated Subadviser, that is involved in securities-related activities, subject to the limits in rule 12d3-1 under the Act. The requested relief would apply only if the Affiliated Broker-Dealer is not an affiliated person or an affiliated person of an affiliated person of SIMC, the Subadviser making the investment decision with respect to the Unaffiliated Portion ("Unaffiliated Subadviser"),¹ or

¹ The terms "Unaffiliated Subadviser," "Subadviser," and "Unaffiliated Portion" include SIMC and the discrete portion of a Multi-Managed Portfolio directly advised by SIMC, respectively, provided that SIMC manages its portion of the Multi-Managed Portfolio independently of the

an officer, trustee, or employee of the Multi-Managed Portfolio engaging in the transaction.

3. Applicants request that the relief apply to any registered open-end management investment company or portfolio thereof for which SIMC, or any entity controlling, controlled by, or under common control with SIMC, currently or in the future acts as investment adviser. Applicants state that SIMC will take steps designed to ensure that any other existing or future entity that relies on the order will comply with the terms and conditions of the application.

Applicants' Legal Analysis

A. Principal Transactions Between an Unaffiliated Portion and an Affiliated Broker-Dealer

1. Section 17(a) of the Act generally prohibits sales or purchases of securities between a registered investment company and any affiliated person of the company or an affiliated person of such affiliated person ("second-tier affiliate"). Section 2(a)(3) of the Act defines an "affiliated person" of another person to include: (a) Any person that directly or indirectly owns, controls, or holds with power to vote 5% or more of the outstanding voting securities of the other person; (b) any person 5% or more of whose outstanding voting securities are directly or indirectly owned, controlled by, or held with power to vote by the other person; (c) any person directly or indirectly controlling, controlled by, or under common control with the other person; and (d) if the other person is an investment company, any investment adviser of that company. Applicants assert that an Affiliated Subadviser would be an affiliated person of a Multi-Managed Portfolio, and an Affiliated Broker-Dealer would be either an Affiliated Subadviser or an affiliated person of the Affiliated Subadviser, and, thus, a second-tier affiliate of a Multi-Managed Portfolio, including the Unaffiliated Portion. Accordingly, applicants state that any transactions to be effected by an Unaffiliated Subadviser on behalf of an Unaffiliated Portion of a Multi-Managed Portfolio with an Affiliated Broker-Dealer would be subject to the prohibitions of section 17(a).

2. Applicants seek relief under sections 6(c) and 17(b) to exempt

portions managed by the other Subadvisers to the Multi-Managed Portfolio, and SIMC does not control or influence any other Subadviser's investment decisions for its portion of the Multi-Managed Portfolio. SIMC does not currently manage any Multi-Managed Portfolio.

principal transactions prohibited by section 17(a) because an Affiliated Broker-Dealer is deemed to be an affiliated person or a second-tier affiliate of an Unaffiliated Portion solely because an Affiliated Subadviser is the Subadviser to another portion of the same Multi-Managed Portfolio. The requested relief would not be available if the Affiliated Broker-Dealer (except by virtue of serving as a Subadviser) is an affiliated person or a second-tier affiliate of SIMC, the Unaffiliated Subadviser making the investment decision, or any officer, trustee, or employee of the Multi-Managed Portfolio.

3. Section 17(b) of the Act authorizes the SEC to grant an order permitting a transaction other wise prohibited by section 17(a) if it finds that the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned, and the proposed transaction is consistent with the policy of each registered investment company and the general purposes of the Act. Section 6(c) of the Act permits the SEC to exempt any person or transaction from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policies and provisions of the Act. For the reasons stated below, applicants submit that the terms of the proposed transactions meet the standards of sections 6(c) and 17(b).

4. Applicant contend that section 17(a) is intended to prevent persons who have the power to influence an investment company from using that influence to their own pecuniary advantage. Applicants assert that when a person acting on behalf of an investment company has no direct or indirect pecuniary interest in a party to a principal transaction, the abuses that section 17(a) is designed to prevent are not present. Applicants state that if an Unaffiliated Subadviser purchases securities on behalf of an Unaffiliated Portion in a principal transaction with an Affiliated Broker-Dealer, any benefit that might inure to the Affiliated Broker-Dealer would not be shared by the Unaffiliated Subadviser. In addition, applicants state that Subadvisers are paid on the basis of a percentage of the value of the assets allocated to their management. The execution of a transaction to the disadvantage of the Unaffiliated Portion would disadvantage the Unaffiliated Subadviser to the extent that it diminishes the value of the Unaffiliated Portion. Applicants further submit that SIMC's power to dismiss Subadvisers or to change the portion of

a Portfolio allocated to each Subadviser reinforces a Subadviser's incentive to maximize the investment performance of its own portion of the Multi-Managed Portfolio.

5. Applicants state that each Subadviser's contract assigns it responsibility to manage a discrete portion of the Multi-Managed Portfolio. The contracts neither require nor authorize collaboration between or among Subadvisers. Each Subadviser is responsible for making independent investment and brokerage allocation decisions based on its own research and credit evaluations. Applicants state that SIMC does not dictate or influence brokerage allocation decisions for the Multi-Managed Portfolios, except where SIMC actually advises an Unaffiliated Portion of a Multi-Managed Portfolio. Applicants submit that, in managing a discrete portion of a Portfolio, each Subadviser acts for all practical purposes as though it is managing a separate investment company.

6. Applicants state that the proposed transactions will be consistent with the policies of each Multi-Managed Portfolio, since each Unaffiliated Subadviser is required to manage the Unaffiliated Portion of the Multi-Managed Portfolio in accordance with the investment objectives and related investment policies of the Multi-Managed Portfolio as described in its registration statement. Applicants also assert that permitting the transactions will be consistent with the general purposes of the Act and in the public interest because the ability to engage in the transactions will increase the likelihood of a Multi-Managed Portfolio achieving best price and execution on its principal transactions, while giving rise to none of the abuses that section 17(a) was designed to prevent.

B. Payment of Brokerage Compensation by an Unaffiliated Portion to an Affiliated Broker-Dealer

1. Section 17(e)(2) of the Act prohibits an affiliated person or a second-tier affiliate of a registered investment company from receiving compensation for acting as broker in connection with the sale of securities to or by the investment company if the compensation exceeds the limits prescribed by the section, unless otherwise permitted by rule 17e-1 under the Act. Rule 17e-1 sets forth the conditions under which an affiliated person or a second-tier affiliate of an investment company may receive a commission which would not exceed the "usual and customary broker's commission" for purposes of section 17(e)(2). Rule 17e-1(b) requires the

investment company's board of directors, including a majority of the directors who are not "interested persons," as defined in section 2(a)(19) of the Act, to adopt procedures regarding brokerage compensation paid pursuant to the rule and to determine at least quarterly that all transactions effected in reliance on the rule complied with the procedures. Rule 17e-1(c) specifies the records that must be maintained by each investment company with respect to any transaction effected pursuant to rule 17e-1.

2. Applicants state that, for the reasons discussed above, Affiliated Broker-Dealers are second-tier affiliates of the Unaffiliated Portions. Applicants request relief under section 6(c) of the Act from section 17(e) of the Act and rule 17e-1 under the Act to the extent necessary to permit the Unaffiliated Portions of each Multi-Managed Portfolio to pay brokerage compensation to an Affiliated Broker-Dealer, when the Affiliated Broker-Dealer acts as broker in the ordinary course of business, without complying with the requirements of rule 17e-1(b) and (c) under the Act. The requested exemption would apply only where an Affiliated Broker-Dealer is deemed to be an affiliated person or a second-tier affiliate of an Unaffiliated Portion solely because an Affiliated Subadviser is the Subadviser to another portion of the same Multi-Managed Portfolio. The relief would not apply if the Affiliated Broker-Dealer is an affiliated person or a second-tier affiliate of SIMC, the Unaffiliated Subadviser to the Unaffiliated Portion of the Multi-Managed Portfolio, or any officer, trustee, or employee of the Multi-Managed Portfolio.

3. Applicants state the proposed brokerage transactions involve no conflicts of interest or possibility of self-dealing and will meet the standards of section 6(c). Applicants assert that the interests of an Unaffiliated Subadviser are directly aligned with the interests of the Unaffiliated Portion it advises, and an Unaffiliated Subadviser will enter into brokerage transactions with Affiliated Broker-Dealers only if the fees charged are reasonable and fair. Applicants also note that the Unaffiliated Subadvisers have a fiduciary duty to obtain best price and execution for the Unaffiliated Portion.

C. Purchases of Certain Securities by an Unaffiliated Portion

1. Section 10(f) of the Act, in relevant part, prohibits a registered investment company from knowingly purchasing or otherwise acquiring, during the existence of any underwriting or selling

syndicate, any security (except a security of which the company is the issuer) a principal underwriter of which is an officer, director, member of an advisory board, investment adviser, or employee of the company, or an affiliated person of any of the foregoing. Section 10(f) also provides that the SEC may exempt by order any transaction or classes of transactions from any of the provisions of section 10(f), if and to the extent that such exemption is consistent with the protection of investors. Rule 10f-3 under the Act exempts certain transactions from the prohibitions of section 10(f) if specified conditions are met. Paragraph (b)(7) of rule 10f-3 limits the amount of securities of any class of an issue to be purchased by the investment company, or by two or more investment companies having the same investment adviser, to 25% of the principal amount of the offering of the class of securities.

2. Applicants state that each Subadviser to a Multi-Managed Portfolio is considered to be an investment adviser to the entire Multi-Managed Portfolio. Therefore, all purchases of securities by an Unaffiliated Portion from an underwriting syndicate a principal underwriter of which is an Affiliated Broker-Dealer would be subject to section 10(f).

3. Applicants request relief under section 10(f) from that section to permit an Unaffiliated Portion to purchase securities during the existence of an underwriting or selling syndicate, a principal underwriter of which is an Affiliated Broker-Dealer. Applicants request relief from section 10(f) only to the extent those provisions apply solely because an Affiliated Subadviser is an investment adviser to the Multi-Managed Portfolio. The requested relief would not be available if the Affiliated Broker-Dealer is an affiliated person or a second-tier affiliate of SIMC, the Unaffiliated Subadviser making the investment decision with respect to the Unaffiliated Portion, or any officer, trustee, or employee of the Multi-Managed Portfolio. Applicants also seek relief from section 10(f) to permit an Affiliated Portion to purchase securities during the existence of an underwriting syndicate, a principal underwriter of which is an Affiliated Broker-Dealer, provided that the purchase will be in accordance with the conditions of rule 10f-3, except that paragraph (b)(7) of the rule will not require the aggregation of purchases by the Affiliated Portion with purchases by an Unaffiliated Portion.

4. Applicants state that section 10(f) was adopted in response to concerns about the "dumping" of otherwise unmarketable securities on investment

companies, either by forcing the investment company to purchase unmarketable securities from its underwriting affiliate, or by forcing or encouraging the investment company to purchase the securities from another member of the syndicate. Applicants submit that these abuses are not present in the context of the Multi-Managed Portfolios because an Unaffiliated Subadviser's decision to purchase securities from an underwriting syndicate, a principal underwriter of which is an Affiliated Broker-Dealer, involves no potential for "dumping." In addition, applicants assert that aggregating purchases would serve no purpose because there is no collaboration among the Subadvisers and any common purchases by an Affiliated Subadviser and an Unaffiliated Subadviser would be coincidence.

D. Purchases by Unaffiliated Subadvisers of Securities Issued by Securities Affiliates

1. Section 12(d)(3) of the Act generally prohibits a registered investment company from acquiring any security issued by any person who is a broker, dealer, investment adviser, or engaged in the business of underwriting (collectively, "securities-related activities"). Applicants state that, because certain of the Affiliated Subadvisers or their affiliated persons may be issuers that are engaged in securities-related activities ("Securities Affiliates"), an Unaffiliated Portion would be prohibited by section 12(d)(3) from purchasing securities issued by Securities Affiliates of another Subadviser to the same Multi-Managed Portfolio.

2. Rule 12d3-1 under the Act exempts from the prohibition of section 12(d)(3) purchases of securities of an issuer engaged in securities-related activities if certain conditions are met. One of these conditions, set forth in rule 12d3-1(c), prohibits the acquisition of a security issued by the investment company's investment adviser, promoter, or principal underwriter, or any affiliated person of the investment adviser, promoter, or principal underwriter.

3. Applicants state that each Subadviser to a Multi-Managed Portfolio is considered to be an investment adviser to the entire Multi-Managed Portfolio. Thus, applicants state that a purchase by an Unaffiliated Portion of securities issued by Securities Affiliates of another Subadviser to the same Multi-Managed Portfolio would not meet rule 12d3-1(c) and that applicants are therefore unable to rely on the rule.

4. Applicants request an exemption under section 6(c) from section 12(d)(3) to permit an Unaffiliated Subadviser to acquire for an Unaffiliated Portion, securities issued by a Securities Affiliate subject to the limits in rule 12d3-1. The requested relief would apply only to securities issued by a Securities Affiliate that is an Affiliated Subadviser to another portion of the Multi-Managed Portfolio, or an affiliated person of an Affiliated Subadviser to another portion. The requested relief would not extend to securities issued by the Subadviser making the purchase, SIMC, or an affiliated person of any of these entities.

5. Applicants state that their proposal does not raise the conflicts of interest that rule 12d3-1(c) was designed to address because of the nature of the affiliation between an Affiliated Subadviser and the Unaffiliated Portion. Applicants submit that each Subadviser acts independently of the other Subadvisers in making investment and brokerage allocation decisions for the assets allocated to its portion of the Multi-Managed Portfolio. Applicants assert that prohibiting the Unaffiliated Portions from purchasing securities issued by a Securities Affiliate may cause Unaffiliated Subadvisers to forego investment opportunities that would be in the best interests of the Multi-Managed Portfolios.

Applicants' Conditions

Applicants agree that the requested order will be subject to the following conditions:

1. Each Multi-Managed Portfolio will be advised by an Affiliated Sub-Adviser and at least one Unaffiliated Subadviser and will be operated consistent with the manner described in the application.

2. No Affiliated Subadviser (except by virtue of serving as Subadviser to a discrete portion of a Multi-Managed Portfolio) or Affiliated Broker-Dealer will be an affiliated person or a second-tier affiliate of SIMC, any Unaffiliated Subadviser, or any officer, trustee, or employee of the Multi-Managed Portfolio engaging in the transaction.

3. No Affiliated Subadviser will directly or indirectly consult with any Unaffiliated Subadviser concerning allocation of principal or brokerage transactions or concerning the purchase of the securities issued by its Securities Affiliates. Subadvisers may consult with SIMC in order to monitor compliance with the limits in rule 12d3-1.

4. No Affiliated Subadviser will participate in any arrangement under which the amount of its subadvisory fees will be affected by the investment performance of any other Subadviser.

5. With respect to purchases of securities by an Affiliated Portion during the existence of an underwriting or selling syndicate, a principal underwriter of which is an Affiliated Broker-Dealer, the conditions of rule 10f-3 will be satisfied except that paragraph (b)(7) will not require the aggregation of purchases by the Affiliated Portion with purchases by an Unaffiliated Portion.

6. Each Multi-Managed Portfolio will comply with rule 12d3-1, except paragraph (c) of that rule solely with respect to purchases by an Unaffiliated Portion of securities issued by a Securities Affiliate that would be prohibited by rule 12d3-1(c) solely because the Securities Affiliate is an Affiliated Subadviser, or an affiliated person of an Affiliated Subadviser, to an Affiliated Portion of the Multi-Managed Portfolio.
