Proposed Projects

1. PHS Supplements to the
 Application for Federal Assistance—SF
 424 (0920-0428)—Extension—The
 Centers for Disease Control and
 Prevention (CDC) is requesting a three-
 year extension for continued use of the
 Supplements to the Request for Federal
 Assistance Application (SF-424). The
 Checklist, Program Narrative, and the
 Public Health System Impact Statement

(third party notification) (PHSIS) are a
 part of the standard application for State
 and local governments and for private
 non-profit and for-profit organizations
 when applying for financial assistance
 from PHS grant programs. The Checklist
 assists applicants to ensure that they
 have included all required information
 necessary to process the application.
 The Checklist data helps to reduce the
 time required to process and review
 grant applications, expediting the
 issuance of grant awards. The PHSIS
 Third Party Notification Form is used to
 inform State and local health agencies of
 community-based proposals submitted
 by non-governmental applicants for
 Federal funding. We also requesting the
 use of a new CDC form (CDC 0.1113) to
 be used once an award is granted. This
 form will provide CDC specific
 assurances after an award is granted.
 Total annual hours burden are 31,204.
