1. PHS Supplements to the  
 Application for Federal Assistance—SF  
 424 (0920-0428)—Extension—The  
 Centers for Disease Control and  
 Prevention (CDC) is requesting a three-  
 year extension for continued use of the  
 Supplements to the Request for Federal  
 Assistance Application (SF-424). The  
 Checklist, Program Narrative, and the  
 Public Health System Impact Statement

(third party notification) (PHSIS) are a  
 part of the standard application for State  
 and local governments and for private  
 non-profit and for-profit organizations  
 when applying for financial assistance  
 from PHS grant programs. The Checklist  
 assists applicants to ensure that they  
 have included all required information  
 necessary to process the application.  
 The Checklist data helps to reduce the  
 time required to process and review  
 grant applications, expediting the  
 issuance of grant awards. The PHSIS  
 Third Party Notification Form is used to  
 inform State and local health agencies of  
 community-based proposals submitted  
 by non-governmental applicants for  
 Federal funding. We also requesting the  
 use of a new CDC form (CDC 0.1113) to  
 be used once an award is granted. This  
 form will provide CDC specific  
 assurances after an award is granted.  
 Total annual hours burden are 31,204.
