

received and their resolution by the Hopi Tribe. The Hopi Tribe's application for the Kykotsmovi Sewer Lagoon Public Facilities Project contains the prescribed information for these seven items.

Section 875.15(f) requires OSM to evaluate all comments we receive and to determine whether the funding meets the requirements of §§ 875.15(e) (1) through (7) as described above. It also requires us to determine if the request is in the best interests of the Hopi Tribe's AML program. OSM will approve The Hopi Tribe's request to fund this project if we conclude that it meets all the requirements of 30 CFR 875.15.

V. What To Do if You Want To Comment on the Proposed Project?

OSM is asking for public comments on the Hopi Tribe's request for funds to pay for \$200,000 (15%) of the total cost of the PFP. You are welcome to comment on the project. If you do, please send us written comments. Make sure your comments are specific and pertain to the Hopi Tribe's funding request in the context of the regulations at 30 CFR 875.15 and the provisions of section 411 of SMCRA. You should explain any recommendations you make. If we receive your comments after the time shown under **DATES** or at locations other than the Albuquerque Field Office (see **ADDRESSES**), we will not necessarily consider them in our final decision or include them in the administrative record.

Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the rulemaking (or administrative) record, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold from the rulemaking (or administrative) record a respondent's identity, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

Dated: April 19, 2000.

Director, Albuquerque Field Office.
