

Total Annual Burden: 4,765 hours.

Total Annual Cost: N/A.

Needs and Uses: This rule section requires that licensees maintain records for certain services. Section 90.443(a) requires that all stations, the dates and pertinent details of any maintenance performed on station equipment, and the name and address of the service technician who did the work. If all the maintenance is performed by the same technician or service company, the name and address need be entered only once in the station's records. Section 90.433(b) requires private land stations that are interconnected with the public switched telephone network, the licensee must maintain a detailed description of how interconnection is accomplished. When telephone service costs are shared, at least one licensee participating in the cost sharing arrangement must maintain cost sharing records. A report of the cost distribution must be placed in the licensee's station records and made available to participants in the sharing and the Commission upon request. Maintenance records are used by licensee and/or Commission field personnel to note any recurring equipment problems that may pose an aviation hazard or cause interference.
