

DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission****[Docket No. CP00-278-000]****Northern Natural Gas Company; Notice of Application**

May 4, 2000.

Take notice that on May 3, 2000, Northern Natural Gas Company (Northern), 1111 South 103rd Street, Omaha, Nebraska 68124, filed in Docket No. CP00-278-000 an application pursuant to Sections 7(b) and (c) of the Natural Gas Act for permission and approval to abandon and replace certain pipeline facilities located in Iowa, all as more fully set forth in the application on file with the Commission and open to public inspection. This filing may be viewed on the web at <http://www.ferc.fed.us/online/htm> (call 202-208-2222 for assistance).

Northern proposes to abandon in place approximately 179 feet of 24-inch pipe on its A-Line in Pottawattamie County, Iowa, replacing it with 6-inch pipe and use the 24-inch pipe as casing for the 6-inch pipe. It is stated that the reason for the replacement is that there is a leak on the highway adjacent to the pipeline. It is asserted that the 6-inch line will have sufficient capacity to meet current maximum contract obligations. It is further asserted that the proposed abandonment and replacement will not result in any loss of service to Northern's existing customers. The cost of the proposed replacement is estimated at \$78,000.

Any questions regarding the application should be directed to Keith L. Petersen, Director, Certificates and Reporting, at (402) 398-7200, Northern Natural Gas Company, P.O. Box 3330, Omaha, Nebraska 68103-0330.

All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene

in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Northern to appear or to be represented at the hearing.
