Records (BGFRS-25). We invite public

SUPPLEMENTARY INFORMATION: The Board
is instituting a feedback program for its
managers and officers. Under this Multi-
rater Feedback program, Board
employees who work for or with a
particular manager or officer are asked
to complete a voluntary, confidential
questionnaire regarding the performance
of that manager/officer and send it
directly to a consultant hired by the
Board for this program. The consultant
analyzes the completed questionnaires
and compiles a report for the manager/
officer that summarizes the comments
from the questionnaires. This report
does not identify individual comments

or those who completed the
questionnaires. The report is given only
to the manager/officer being evaluated;
no other Board employee or officer
receives a copy of the report. The
consultant maintains all of the data
connected with this program, identified
only by the name of the manager/officer
being evaluated. The data is stored by
name of the officer/manager being
evaluated, and thus is considered to be
a system of records under the Privacy
Act.

In accordance with 5 U.S.C. 552a(r), a
report of this new system of records is
being filed with the Chair of the House
Committee on Government Reform and
Oversight, the Chair of the Senate
Committee on Governmental Affairs,
and the Office of Management and
Budget. This new system of records will
become effective on June 28, 2000,
without further notice, unless the Board
publishes a notice to the contrary in the
Federal Register.
