**Hours of Service of Drivers; Driver Rest and Sleep for Safe Operations; Correction****AGENCY:** Federal Motor Carrier Safety Administration (FMCSA), DOT.**ACTION:** Proposed rule; correction.**SUMMARY:** This document corrects the preamble to a proposed rule published in the **Federal Register** of May 2, 2000, regarding Hours of Service of Drivers

and Driver Rest and Sleep for Safe Operations. This correction removes a statement included by error that the proposed rule would *not* have a significant economic impact on a substantial number of small entities. As we stated in the proposed rule, the FMCSA does not know with certainty the full economic impact of the proposal and therefore withdraws its negative certification.
