May 25, 2000.

On March 6, 2000, DTE River Rouge No. 1 LLC (DTE River Rouge) filed a petition requesting that the Commission authorize DTE River Rouge to engage in the sale of electric energy capacity at market-based rates and the reassign transmission capacity. In its filing, DTE River Rouge also requested certain waivers and authorizations. (H) Absent a request to be heard within the period set forth in Ordering Paragraph (G) above, DTE River Rouge is hereby authorized to issue securities and assume obligations and liabilities as guarantor, indorser, surety or otherwise in respect of any security of another person; provided that such issue or assumption is for some lawful object within the corporate purposes of DTE River Rouge, compatible with the public interest, and reasonably necessary or appropriate for such purposes.

(J) The Commission reserves the right to modify this order to require a further showing that neither public nor private interests will be adversely affected by continued Commission approval of DTE River Rouge's issuances of securities or assumptions of liabilities. \* \* \*

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is June 16, 2000.
