Public Land Order No. 7452; Partial Revocation of the Executive Order Dated April 17, 1926; Oregon**AGENCY:** Bureau of Land Management, Interior.**ACTION:** Public land order.

SUMMARY: This order partially revokes an Executive order insofar as it affects 4,231.09 acres of public lands withdrawn for the Bureau of Land Management's Public Water Reserve No. 107. The lands do not qualify for a public water reserve and the revocation is needed to permit several land disposals. This action will open the lands to surface entry and non-metalliferous mining, unless included in other segregations of record. All of the lands have been and will remain open to metalliferous mining and mineral leasing, unless included in other segregations of record.

All valid applications received at or prior to 8:30 a.m. on July 7, 2000, shall be considered as simultaneously filed at that time. Those received thereafter shall be considered in the order of filing.

3. At 8:30 a.m. on July 7, 2000, the lands described in paragraph 1(a) and 1(b) will be opened to location and entry under the United States mining laws for non-metalliferous minerals, subject to valid existing rights, the provisions of existing withdrawals, other segregations of record, and the requirements of applicable law. Appropriation of lands described in this order under the general mining laws for non-metalliferous minerals prior to the date and time of restoration is unauthorized. Any such attempted appropriation, including attempted adverse possession under 30 U.S.C. 38 (1994), shall vest no rights against the United States. Acts required to establish a location and to initiate a right of possession are governed by State law where not in conflict with Federal law. The Bureau of Land Management will not intervene in disputes between rival locators over possessory rights since

Congress has provided for such determinations in local courts.

Public Land Order No. 7451; Partial Revocation of Bureau of Reclamation Order Dated December 17, 1954; Utah**AGENCY:** Bureau of Land Management, Interior.**ACTION:** Public land order.

SUMMARY: This order partially revokes a Bureau of Reclamation order insofar as it affects 5,274 acres of lands withdrawn for the Central Utah Project. The lands are no longer needed for the purpose for which they were withdrawn. This action returns 2,484 acres to Bureau of Land Management administration and opens them to surface entry but not to mining, and returns 2,790 acres to National Forest administration and opens them to mining and to such forms of disposition as may by law be made of National Forest System lands. All of the lands have been and will remain open to mineral leasing.
