Notice is hereby given that a proposed consent decree in the action entitled *United States v. Holden, et. al.*, Civil Action No. 00CV11036EFH (D. The Settling Defendants include Nelson W. Holden, as Trustee of the Holden-Ashland Trust, Martha E. Holden, as Trustee of the Holden-Ashland Trust, and William M. Leacu. Under the proposed consent decree, the Settling Defendants have agreed to record an Environmental Restriction and Easement ("Easement") with respect to each of their properties located at the Site. The Easements will impose certain restrictions on the use of these properties and will also provide access rights to the United States (until completion of the remedial action at the Site) and to the Commonwealth (after completion of the remedial action at the Site).
