SUPPLEMENTARY INFORMATION: The pathogenesis of inflammatory reactions may depend upon the traffic of inflammatory mediating cells from sites of induction to sites of inflammation. This trafficking is known to be mediated, in part, by the interaction of the integrin, $\alpha^E\beta_7$, and the addressin, mucosa addressin cell adhesion molecule-1. This homing, which governs the entry of cells into tissues, is accompanied by additional adhesion molecule-ligand interactions that ensure the retention of cells in the target tissue.

The inventors believe the integrin, $\alpha^E\beta_7$, may play a role in retaining intraepithelial lymphocytes in the intraepithelial site via its interaction with E-cadherin. Experiments have shown in IL-2^{-/-} mice, that administration of anti- $\alpha^E\beta_7$ can prevent colonic inflammation and reverse pre-existing inflammation. This data is important because it strongly suggests that both entry and retention of cells are necessary for the induction and maintenance of colitis in these IL-2^{-/-} mice. The present technology relates to methods for treating inflammatory reactions for but not necessarily limited to: autoimmune diseases, graft-versus-host disease and transplantation rejections.

FY 2000 Super Notice of Funding Availability (SuperNOFA) for HUD's Housing, Community Development and Empowerment Programs and Section 8 Housing Voucher Assistance; Amendment to Funding Availability Announcement for Economic Development Initiative (EDI); Extension of Application Due Date for Regional Economic Development Projects

AGENCY: Office of the Secretary, HUD.

ACTION: Super Notice of Funding Availability (SuperNOFA) for HUD Grant Programs; Amendment to EDI Announcement—Extension of EDI Regional Application Due Date.

SUMMARY: On February 24, 2000, HUD published its Fiscal Year (FY) 2000 Super Notice of Funding Availability (SuperNOFA) for HUD's Housing, Community Development, and Empowerment Programs and Section 8 Housing Voucher Assistance. This document extends the application due date to apply for funding for regional economic development projects under the Economic Development Initiative (EDI). This application due date extension is only for the regional economic development project applications.

DATES: The application due date for EDI regional economic development projects applications is extended by this notice to July 14, 2000.

FOR FURTHER INFORMATION CONTACT: You may contact either Tony Johnston or Paul Webster of the Office of Economic Development Department of Housing and Urban Development, 451 Seventh Street, SW, Room 7136, Washington, DC 20410; telephone (202) 708-1871 (this is not a toll-free number). Persons with speech or hearing impairments may access this number via TTY by calling the toll-free Federal Information Relay Service at 1-800-877-8339. You may also call the SuperNOFA Information Center, which you may reach by calling 1-800-HUD-8929 or the Center's TTY number at 1-800-HUD-2209. Other than the "800" number, these numbers are not toll-free.

SUPPLEMENTARY INFORMATION: On February 24, 2000 (65 FR 9322), HUD published its Fiscal Year (FY) 2000 Super Notice of Funding Availability (SuperNOFA) for HUD's Housing, Community Development, and Empowerment Programs and Section 8 Housing Voucher Assistance. The FY 2000 SuperNOFA announced the

availability of approximately \$2.424 billion in HUD program funds covering 39 grant categories within programs operated and administered by HUD offices and Section 8 housing voucher assistance. The FY 2000 SuperNOFA included HUD's funding availability announcement for the Economic Development Initiative (EDI). The EDI section of the SuperNOFA announced the availability of approximately \$24.1 million in EDI funds to stimulate economic development by local governments and private sector parties.

This document extends the application due date to apply for funding for regional economic development projects under the Economic Development Initiative (EDI) to July 14, 2000. This application due date extension is only for regional economic development project applications. It has been brought to HUD's attention that the amount of time necessary to collect and compile the information necessary for a regional economic development project application is more time consuming than that required for general economic development project applications. Accordingly, HUD is providing additional time to prepare and submit regional economic development project applications. (Please note that the EDI application due was extended previously to June 13, 2000, for all applications by notice published in the **Federal Register** on May 9, 2000 (65 FR 26844).)

Please note that applicants that already submitted applications for regional economic development projects by the June 13, 2000, application due date, need not resubmit a new application and need not amend their applications. Applicants that already submitted applications for regional economic development projects, however, may submit new or amended applications if they choose to do so. Applicants that already submitted applications and plan to submit new or amended applications should clearly identify whether the information submitted is new and replaces a previously submitted application in its entirety or is an addendum or amendment to the previously submitted application.

The funding availability announcement for EDI is found at page 9787 of the February 24, 2000 SuperNOFA. The original announcement contains all the information with respect to EDI application contents and where to submit EDI applications. This notice only provides the extended due date for

regional economic development project applications.

Therefore, in the Super Notice of Funding Availability for Housing, Community Development, and Empowerment Programs and Section 8 Housing Voucher Assistance for Fiscal Year 2000, notice document 00-4123, beginning at 65 FR 9322, in the issue of Friday, February 24, 2000, the following clarification is made:

SUPPLEMENTARY INFORMATION

I. Background

On March 17, 2000 (65 FR 14694), HUD published the NOFA for ALCP for Section 202 Projects which announced

the availability of \$50,000,000 for the physical conversion of Section 202 projects or portions of Section 202 projects to Assisted Living Facilities. The purpose of this document is to correct certain technical errors that appeared in the published NOFA.

Technical Errors To Be Corrected

The page numbers referred to in this notice refer to **Federal Register** page numbers.

On page 14694, second column, under the fourth full paragraph, which addresses Application Kits, HUD failed to include the toll free TTY number and to indicate that application kits for the ALCP NOFA and the Service Coordinators NOFA are available on the Internet. The TTY number and a statement that both application kits are available on the Internet are included by this document.

On page 14696, second column, under the sixth full paragraph, which identifies contact persons for technical assistance, HUD is correcting the name of the office of the contact persons and replacing the name of one of the contact persons.

On page 14696, second column, the paragraph designated "(14)" is revised by adding a new sentence to the end of the first full paragraph of paragraph (14) to clarify that a Section 202/PRAC project is not eligible to request funding under the NOFA for Service Coordinators for Multifamily Housing, published also on March 17, 2000 (65 FR 14708), because the Section 202/PRAC project may pay for the service coordinator out of PRAC funds.

On page 14699, third column, the first full paragraph under "Rating Factor 1," contains an incorrect cross reference to other sections of the NOFA and this reference is corrected by this document.

On page 14699, third column, the last paragraph in that column which continues on page 14700, contains an incorrect cross reference to other sections of the NOFA and this reference is corrected by this document.

On page 14700, first column, the first full paragraph under Rating Factor 3, contains an incorrect cross-reference to other sections of the NOFA, and the reference is corrected by this document.

On page 14700, second column, the second full paragraph under Rating Factor 4 contains an incorrect cross-reference to other sections of the NOFA and the reference is corrected by this document.

On page 14700, third column at the top, the paragraph designated "(3)" under Rating Factor 4 contains an incorrect point assignment where the
