Title: Runaway and Homeless Youth Program Regulations—Final Rule.

OMB No.: New Collection.

Description: The Runaway and Homeless Youth program is administered by the Family and Youth Services Bureau (FYSB). The authorizing legislation for the Runaway and Homeless Youth (RHY) Program, Pub. L. 106-71 (42 U.S.C. 5701), Section 311, set forth provisions for awarding grants through a competitive process to public and nonprofit private entities (and combinations of such entities) to establish and operate local programs to provide services for runaway and homeless youth and for their families. For the competitive grant making process, eligible entities are required to describe their goals, plans (scope of activities), capacities and other qualifications for receiving Federal funding to operate the type of youth services programs authorized under the RHY Act. The detailed information is collected via the Uniform Project Description (UPD), OMB control number 0970-0139. The UPD information collected is the basis for determining the most appropriate entities for grant funding. Basic organizational and summary budget information required by OMB circular A-102 as part of an "Application for Federal Assistance" is also collected via the SF-424 (OMB control number 0348-0043), the SF-424A (OMB control number 0348-0044), the SF-424B (OMB control number 0348-0040) and the "Disclosure of Lobbying Activities" SF-LLL (OMB number 0348-0046). The information is requested annually through the RHY Program Announcement. The program regulations implementing provisions of the RHY Act limit grants project periods to three years (a limit not specified in the statute). The final rule would change the project periods from a maximum of three years to five years. The regulation change is technical in nature and will allow FYSB the flexibility and discretion to award some grants for five-year periods, instead of three years. The regulatory change will not increase the burden for any entities. The change will only affect the frequency of application submission.

Respondents: Community-based Organizations, States, and Tribes.
