[Docket No. EL00-46-000; et al.]

Entergy Power Marketing Corporation, et al., Order Granting Complaint and Rejecting Related Service Agreements, Denying Complaint and Accepting Related Service Agreement, and Providing Clarification of Order No. 888

Issued June 15, 2000.

Before Commissioners: James J. Hoecker, Chairman; William L. Massey, Linda Breathitt, and Curt Hebert, Jr.

In this order, we address two complaints that involve the exercise of the right of first refusal provisions established in the Order No. 888¹ *pro forma* tariff.² In one complaint (Docket No. EL00-46-000), a customer alleges that the transmission provider violated its open access transmission tariff by attempting to require the customer to exercise its right of first refusal too early. In the other complaint (Docket No. EL00-53-000), a potential customer alleges that the transmission provider permitted its existing customer to exercise its right of first refusal too late. We now recognize that the right of first refusal provisions of the *pro forma* tariff are not sufficiently clear and provide clarification to the parties to these proceedings and of Order No. 888, as discussed below. As a result, we grant the complaint in Docket No. EL00-46-000 and reject the related service agreements and deny the complaint in Docket No. EL00-53-000 and accept for filing the related service agreement, as discussed further below.

¹ Promoting Wholesale Competition Through Open Access Non-discriminatory Transmission Services by Public Utilities: Recovery of Standard Costs by Public Utilities and Transmitting Utilities, Order No. 888, 61 FR 21,540 (1996), FERC Stats. & Regs. ¶ 31,036 (1996), *order on reh'g*, Order No. 888-A, 62 FR 12,274 (1997), FERC Stats. & Regs. ¶ 31,048 (1997), *order on reh'g*, Order No. 888-B, 81 FERC ¶ 61,248 (1997), *order on reh'g*, Order No. 888-C, 82 FERC ¶ 61,046 (1998).

² We also address two related filings of service agreements that were entered into based on the parties' understanding of when the right of first refusal may be exercised.
