#### SUPPLEMENTARY INFORMATION:

##### Background

The Secretary has the authority to license public warehouses and assess warehouse operators fees under the United States Warehouse Act (USWA) (7 U.S.C. 241 *et seq.*). Warehouse operators licensed under the USWA understand that fees will be imposed to cover the costs of the program. Specifically, section 10 of the USWA (7 U.S.C 249) mandates the imposition of fees for USWA licensed warehouses. The USWA provides for licensing warehouses, for examining licensed warehouses, and for the collection of fees to sustain the USWA warehouse licensing and examination programs. In keeping with that responsibility the Department of Agriculture's Farm Service Agency (FSA) is raising USWA annual operational fees charged to licensed warehouses in order to assure the recovery of operational costs projected for USWA activities in fiscal year 2001. The fiscal year 2001 fee adjustment reflects a 2.0 percent increase in the annual fees. No increase is being made in other license or inspection fees charged under the USWA.

USWA fees vary by the type of storage warehouse and were last amended effective October 1, 1999, (64 FR 34765, June 29, 1999). None of last year's increases for any particular type of warehouse exceeded 2.0 percent and varied based on FSA's direct costs with respect to warehouse examinations for that type of warehouse. The regulations issued under the USWA, codified at 7 CFR parts 735 through 743, provide that fees charged warehouse operators under the USWA could be adjusted annually. The schedule below sets out all of the relevant fees and charges for licensing and examination and reflects the increased annual fees noted above. USWA Schedule for License, Inspection and Annual Operational Fees to be Paid by Warehouse Operators:

#### Warehouse and Service License Fees

The fee for original issuance, reissuance, or duplication of a license for cotton, grain, tobacco, wool, dry beans, nut, syrup, and cottonseed is \$80 for each license issued.

The fee charged to license individuals to inspect, sample, grade, classify, or weigh commodities is \$35 for each service license issued.

#### Warehouse Annual and Inspection Fees

These fees are shown in the following tables by agricultural product. Inspection fees are assessed for each original examination or inspection, or reexamination or reinspection for modification of an existing license. Annual fees are assessed independently of inspection fees and of the license fees set forth in the preceding paragraph.
