

DEPARTMENT OF COMMERCE**Submission for OMB Review;
Comment Request**

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. 3506(c)(2)(A)).

Agency: U.S. Department of Commerce.

Title: Applicant Background Survey.
Form Number: Pending OMB approval.

Agency Approval Number: 0690-xxxx.

Type of Request: New collection.

Burden: 2,812.5 hours.

Number of Respondents: 45,000 annually.

Avg Hours Per Response: 5 minutes.

Needs and Uses: The Department of Commerce is below parity with the relevant civilian labor force representation for many of our primary occupations. The only method to determine if there are barriers in the recruitment and selection process for these occupations is to track groups that apply and how they fare through the selection process. Without this information, DOC does not have the ability to evaluate the effectiveness of its recruitment efforts, or to determine barriers in its selection process. There is no other objective way to make these determinations, and no source of this information other than from applicants.

The race and national origin (RNO) information of job applicants was previously collected by all Federal agencies using OPM Form 1386. The form expired several years ago and DOC is seeking to establish a replacement form. Completion of the form is voluntary. It will not be a required part of the application package. A number of Federal agencies have already recreated this form for the same purpose collecting race, national origin, gender and disability information of job applicants.

The information is not provided to selecting officials and plays no part in the selection of individuals. Instead, it is used in summary form to determine trends over many selections within a given occupation or organizational area. The information is treated in a very confidential manner.

Affected Public: Individual or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

Legal Authority: Section 7201 of Title 5 of the U.S. Code, Title VII of the U.S. Civil Rights Act of 1964, as amended, the Rehabilitation Act of 1973, as amended, 29 CFR Section 1607.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5033, 14th and Constitution Avenue, NW, Washington, D.C. 20230 (or via the Internet at Lengelme@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 of publication of this notice to Susan Schechter, OMB Desk Officer, room 10201, New Executive Office Building, Washington, D.C. 20503.

Dated: June 22, 2000.

Madeleine Clayton,

Management Analyst, Office of the Chief Information Officer.

DEPARTMENT OF COMMERCE**Submission for OMB Review;
Comment Request**

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

Bureau: International Trade Administration.

Title: Internet Export Finance Matchmaker.

OMB Number: 0625-0232.

Type of Request: Regular Submission.

Burden: 350 hours.

Number of Respondents: 2000.

Avg. Hours Per Response: Exporters 10 minutes.

Export Service Firms: 30 minutes.

Needs and Uses: The Office of Finance assists U.S. firms in identifying trade finance opportunities and promotes the competitiveness of U.S. financial services in international trade. The Office of Finance interacts with private financial institutions in insurance, banking, leasing, factoring, barter, and counter trade; U.S. financing agencies, such as the Export-Import Bank and the Overseas Private Investment Corporation; and multilateral development banks, such as the World Bank, Asian Development Bank, and others. To facilitate contact between exporters and financial institutions, the Office of Finance is developing an interactive INTERNET trade finance match-making program to link exporters seeking trade finance with banks and other financial

institutions. The information collected from financial institutions regarding the trade finance products and services they offer will be compiled into a database.

An exporter will be able to electronically submit a form identifying the potential export transaction and type of financing requested. This information will be electronically matched with the financial institution(s) that meet the requirements of the exporter. After a match has been made, a message will be electronically sent to both the exporter and the financial institution containing the information about the match, and contact information for either party to initiate communication. This program is designed to implement the Department of Commerce's goal of improving access to trade financing for small business exporters.

Affected Public: Businesses or other for-profit.

Frequency: On Occasion.

Respondent's Obligation: Required to obtain or retain a benefit; voluntary.

OMB Desk Officer: David Rostker, (202) 395-7340.
