

Alaska Native-Serving Institutions; correction.

On June 23, 2000 we published in the **Federal Register** (65 FR 39136–39137) (FR Doc. 00–15920) a notice to extend the deadline dates for receipt of applications for designation as eligible Alaska Native-Serving Institutions and for receipt of grant applications from eligible Alaska Native-Serving Institutions. In that notice the date for “*Deadline for Transmittal of Applications*” requesting designation as an eligible Alaska Native-Serving Institution and the Alaska Native-Serving Institutions Certification Form (Appendix XIII in the application booklet) was stated incorrectly as June 28, 2000. This notice corrects that date to read “July 7, 2000.” The deadline for transmittal of grant applications remains July 28, 2000.

For Applications or Information Contact: Darlene B. Collins, U.S. Department of Education, 1990 K Street, NW., 6th Floor, Washington, D.C. 20006–8513. Telephone (202) 502–7777. E-mail: darlene_collins@ed.gov

If you use a telecommunications device for the deaf (TDD), you may call the Federal Information Relay Service (FIRS) at 1–800–877–8339.

Individuals with disabilities may obtain this document in an alternative format (e.g., Braille, large print, audio tape, or computer diskette) on request to the contact person listed in the preceding paragraph.

Individuals with disabilities may obtain a copy of the application package in an alternative format by contacting that person. However, the Department is not able to reproduce in an alternative format the standard forms included in the application package.

DEPARTMENT OF ENERGY

Notice of Wetland Involvement for Installation of a Soils Staging Area (Cell 2) at the Miamisburg Environmental Management Project

AGENCY: Department of Energy (DOE), Miamisburg Environmental Management Project.

ACTION: Notice of wetland involvement

SUMMARY: This is to give notice of DOE’s proposal to construct a soil staging area at the Miamisburg Environmental Management Project (MEMP), located approximately ten (10) miles southwest of Dayton, Ohio. The proposed activity would involve a small isolated wetland in Montgomery County, Ohio. In accordance with 10 CFR Part 1022, Compliance with Floodplains/Wetlands Environmental Review Requirements, DOE will prepare a Wetlands Assessment and conduct the proposed action in such a manner as to avoid or minimize potential harm to or within the surrounding environment.

DATES: Written comments must be received by the DOE at the following address on or before July 13, 2000.

ADDRESSES: For further information on this proposed action, including a site map and/or a copy of the Wetlands Assessment, contact: Mr. Art Kleinrath, U. S. Department of Energy, Miamisburg Environmental Management Project, P. O. Box 66, Miamisburg, OH 45343–0066.

Phone: (937) 865–3597; Facsimile: (937) 865–4489.

FOR FURTHER INFORMATION CONTACT: For further information on general DOE wetland and floodplain environmental review requirements, contact: Ms. Carol M. Borgstrom, Director, Office of NEPA Policy and Assistance, EH–42, U.S. Department of Energy, 1000 Independence Avenue, SW, Washington, D.C. 20585.

Phone: (202) 586–4600 or 1–800–472–2756.

SUPPLEMENTARY INFORMATION: The proposed activity would directly support the ongoing environmental remediation program at the Mound

Plant. Construction of the new soil staging area would impact approximately a 0.03 acre isolated wetland. The wetland is one of several identified in the Delineation of Federal Wetlands and Other Waters of the U.S., Miamisburg Environmental Management Project, August 1999. The proposed action will result in negative, long-term, and direct impacts from the excavation and filling of an isolated wetland of 0.03 acres. The affected wetland would be excavated and filled with soil during the construction of a drainage channel supporting a new soil staging area. Best management practices will be utilized to avoid or minimize potential harm to or within the surrounding environment (e.g., including, but not limited to, minimum grading requirements, runoff controls, and design and construction constraints).

Issued in Miamisburg, Ohio on June 16, 2000.

Susan L. Smiley,

NEPA Compliance Officer, Ohio Field Office.
