

1999, the Department published its initiation of this new shipper review covering the period September 1, 1998 through February 28, 1999 (64 FR 24328). On March 15, 2000, the Department published the preliminary results of review (65 FR 13939). On May 1, 2000, the Department extended the time limits for the final results of this new shipper review (65 FR 25309).

Extension of Time Limits for Final Results

Because of the complexities described in the *Memorandum from Edward C. Yang to Joseph A. Spetrini, Extension of Time Limit for the Final Results of New Shipper Review of Freshwater Crawfish Tail Meat from the People's Republic of China*, dated June 19, 2000, we find that this case is extraordinarily complicated and we are unable to complete this review within the time limits mandated by section 351.214(i)(2) of the Department's regulations.

Therefore, in accordance with section 351.214(i)(2) of the Department's regulations, the Department is extending the time period for issuing the final results of review until July 14, 2000.

Dated: June 19, 2000.

Edward C. Yang,

Acting Deputy Assistant Secretary, AD/CVD Enforcement Group III.

Time Limits

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order/finding for which a review is

requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days and for the final determination to 180 days (or 300 days if the Department does not extend the time limit for the preliminary determination) from the date of publication of the preliminary determination.

Background

On August 30, 1999, the Department published a notice of initiation of administrative reviews of the antidumping duty orders on certain pasta from Italy and Turkey, covering the period July 1, 1998, through June 30, 1999 (64 FR 47167). On February 4, 2000, the Department extended the time limit for completion of the preliminary results of these administrative reviews by 90 days (65 FR 5591). The preliminary results are currently due no later than June 30, 2000.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of these reviews within the extended 90 day time limit. Therefore the Department is extending the time limit for completion of these preliminary results for the full 120 days, until no later than July 31, 2000. See Decision Memorandum from Melissa Skinner to Holly Kuga, dated June 14, 2000, which is on file in the Central Records Unit, Room B-099 of the main Commerce building. We intend to issue the final results no later than 120 days after the publication of the preliminary results notice.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: June 16, 2000.

Holly A. Kuga,

Acting Deputy Assistant Secretary, Import Administration, Group II.
