The new filing window will begin August 14, 2000 and end August 18, 2000. However, in order to permit commercial operators to fulfill their business plans which were created in reliance upon the timelines set forth in previous Commission Orders and Public Notice, the Commission will permit MDS operators, starting July 3, 2000, to file applications for two-way authority for Channels 1, 2 and 2a upstream. Such commercial applicants should have consents for downstream transmissions from all affected parties. In addition, we will permit ITFS operators the opportunity to file for developmental authority to begin two-way service.
