

owners are also addressed by these supplementary rules.

This order is in no way intended to affect the rights or existing privileges of private land owners or their interests within the defined public land. Existing public easements, county roads, state highways, private lanes or driveways, and private real estate is exempt from these supplementary rules. Further, this order does not infer any Bureau of Land Management jurisdiction over private or state owned lands. These supplementary rules will be in effect until replaced by a more comprehensive recreational management plan for the areas. These supplementary rules are in compliance with the Caliente Resource Management Plan of May 1997.

Federal, State, and local law enforcement officers and California peace officers, as defined in Chapter 4.5 of the California Penal Code, are exempt from these supplementary rules in the course of their official duties. Limitations upon the use of motorized vehicles do not apply to emergency vehicles, fire suppression and rescue vehicles, law enforcement vehicles, and other vehicles performing official duties, or as approved by an authorized officer of the BLM.

These supplementary rules will take effect following review of public comment, and publication as final supplementary rule making in the **Federal Register**.

Penalties

The authorities for these closures and supplementary rules are 43 CFR 8341.2, 8364.1, and 8365.1-6. Violations of these supplementary rules are punishable by fines of up to \$1,000 and/or imprisonment not to exceed 12 months as well as the penalties provided under State law.

National Park Service

60 Day Notice of Intention To Request Clearance of Collection of Information; Opportunity for Public Comment

AGENCY: Department of the Interior, National Park Service, Urban and Adjacent Parks.

ACTION: Notice and request for comments.

SUMMARY: The National Park Service (NPS) is proposing in 2000 and 2001 to conduct surveys of persons living in the metropolitan areas of Boston, MA, Los Angeles, CA, Miami, FL, and New Orleans, LA where the following urban national parks are located: Boston African-American National Historic Site, Santa Monica Mountains National Recreation Area, Biscayne National Park, and Jean Lafitte National Historical Park and Preserve. In these surveys, persons will be asked about their knowledge of the urban national park located in their metropolitan area, and their familiarity with community outreach efforts that the urban national park has instituted.

URBAN NATIONAL PARK COMMUNITY OUTREACH SURVEY

Estimated numbers of	
Responses	Burden hours
400	200

Under provisions of the Paperwork Reduction Act of 1995 and 5 CFR part 1320, Reporting and Recordkeeping Requirements, the National Park Service is soliciting comments on the need for gathering the information in the proposed surveys. The NPS also is asking for comments on the practical utility of the information being gathered; the accuracy of the burden hour estimate; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden to respondents, including use of automated information collection techniques or other forms of information technology.

The NPS goal in conducting these surveys is to assess the effectiveness of community outreach programs of urban national parks to residents within selected metropolitan areas

DATES: Public comments will be accepted on or before August 28, 2000.

SEND COMMENTS TO: Ronald J. Vogel, Nelson Mandela School of Public Policy, Higgins Hall, Southern

University, Baton Rouge, LA 70813-0400.

FOR FURTHER INFORMATION CONTACT:

Ronald J. Vogel. Voice: 225-771-3103, e-mail: ron@idsmail.com.

SUPPLEMENTARY INFORMATION:

Titles: NPS Urban and Adjacent Parks: Assessment and Development of Community Outreach

Bureau Form Number: None.

OMB Number: To be requested.

Expiration date: To be requested.

Type of request: Request for new clearance.

Description of need: The National Park Service needs information to assess the effectiveness of community outreach programs in reaching residents who live near urban national parks.

Automated data collection: At the present time, there is no automated way to gather this information because it includes asking residents for determinations on effectiveness and awareness of select programs developed by individual parks.

Description of respondents: Persons residing in the metropolitan areas of Boston, MA, Los Angeles, CA, Miami, FL and New Orleans LA.

Estimated average number of respondents: 400 (100 per above metropolitan area).

Estimated average number of responses: Each respondent will respond only one time, so the number of responses will be the same as the number of respondents.

Estimated average burden hours per response: 30 minutes.

Frequency of response: 1 time per respondent.

Estimated annual reporting burden: 200 hours.

Dated: June 23, 2000.

**INTERNATIONAL TRADE
COMMISSION**

[Investigation No. 731-TA-856 (Final)]

**Certain Ammonium Nitrate From
Russia**

AGENCY: United States International Trade Commission.

ACTION: Suspension of investigation.

SUMMARY: On June 16, 2000, the Department of Commerce published notice in the **Federal Register** of the

suspension of its antidumping investigation on certain ammonium nitrate from Russia (65 FR 37759). The basis for the suspension is an agreement between the Department of Commerce and the Ministry of Trade of the Russian Federation accounting for substantially all imports of ammonium nitrate from Russia, wherein the Ministry of Trade has agreed to restrict exports of ammonium nitrate from all Russian producers/exporters to the United States and to ensure that such exports are sold at or above the agreed reference price. Accordingly, the U.S. International Trade Commission gives notice of the suspension of its antidumping investigation involving imports from Russia of certain ammonium nitrate, provided for in subheading 3102.30.00 of the Harmonized Tariff Schedule of the United States.

EFFECTIVE DATE: June 16, 2000.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as Amended

In accordance with Departmental policy, 28 CFR 50.7, 38 FR 19029, and 42 U.S.C. 9622(d), notice is hereby given that on June 14, 2000, a proposed Consent Decree ("Decree") in the consolidated cases entitled *United*

States v. Western Publishing Co., Inc., et al., Civil Action No. 94-CV-1247 and *State of New York v. F.I.C.A. a/k/a Dutchess Sanitation Services, Inc., et al.*, Civil Action No. 86-CV-1136 (LEK/DNH) was lodged with the United States District Court for the Northern District of New York. The proposed Consent Decree will resolve the United States' claims, on behalf of the U.S. Environmental Protection Agency ("EPA"), and the claims of the State of New York ("State") under the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9601 *et seq.*, against defendants F.I.C.A. and the Estate of Joseph Fiorillo, Sr., as well as potential claims against Joseph Fiorillo, Jr., relating to response costs incurred and to be incurred in connection with the Hertel Landfill Superfund Site ("Site"), located in the Hamlet of Clintondale, Town of Plattekill, Ulster County, New York. The United States and the State of New York alleged in their Complaints that the defendants are liable as successors in interest to Dutchess Sanitation Services, Inc., as owners and/or operators of the Site and as transporters of hazardous substances to the Site pursuant to Section 107(a) of CERCLA, 42 U.S.C. 9607(a).

Under the terms of the Decree, the settling parties will make a cash payment of \$50,000, to be divided equally between the United States and certain prior settling parties currently performing EPA's selected remedy at the Site ("performing parties"), within 5 days of execution of the Decree by the United States. The F.I.C.A. settling parties shall also permit and cooperate in the sale of various parcels of real property owned by the F.I.C.A. partnership, proceeds from which are to be paid, after deduction of real estate closing costs and satisfaction of back property taxes, equally to the United States and the performing parties. Terms of the sales of the properties are subject to the approval of the United States and the performing parties. The Decree further provides that the United States shall designate \$60,000 of its share of the proceeds to be applied as a civil penalty and punitive damages, pursuant to sections 106(b)(1) and 107(c)(3) of CERCLA, 42 U.S.C. 9606(b)(1) and 9607(c)(3), in satisfaction of the United States' claim that F.I.C.A. failed or refused to comply with Administrative Order No. II CERCLA-20217 in connection with the Site. Within 30 days of entry of the Decree, F.I.C.A. will pay the State \$2,000 in satisfaction of the State's claim for reimbursement of its response costs at the Site. The
