

briefs, that is, 17 days after the date of publication of these preliminary results. The Department will publish the final results of this administrative review with respect to subject merchandise exports by Mei Wei and Tak Fat, including the results of its analysis of issues raised in any case or rebuttal brief or at a hearing, not later than 120 days after the date of publication of these preliminary results, unless this time period is extended.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 23, 2000.

Troy H. Cribb,

Acting Assistant Secretary for Import Administration.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument and instructions should be directed to Richard Roberts, OFA 1x1, Station 8118, NOAA, 1305 East-West Highway, Silver Spring, MD 20910 (301-713-3525, ext. 115).

SUPPLEMENTARY INFORMATION:

I. Abstract

StormReady is a community-recognition program for emergency management preparedness, and it is used to provide guidance on hazardous weather operations and to provide an incentive to officials. The StormReady Application Form is used by localities to apply for recognition. The National Weather Service will use the information on the application to determine whether the community has met all of the criteria for recognition. This information collection was recently approved by the Office of Management and Budget on an emergency basis, and this Notice solicits comments on the agency's plan to ask for a three-year approval under the Paperwork Reduction Act.

II. Method of Collection

Paper application forms are submitted. Copies of the form will be made available electronically at "www.nws.noaa.gov/stormready". The agency is investigating ways to allow submissions via the Internet.

III. Data

OMB Number: 0648-0419.

Form Number: None.

Type of Review: Regular submission.

Affected Public: State, local, or tribal government.

Estimated Number of Respondents: 40.

Estimated Time Per Response: 1 hour.

Estimated Total Annual Burden

Hours: 40.

Estimated Total Annual Cost to Public: \$40.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the

burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.
