[INS No. 2077-00]

Opportunity to File Untimely Motions to Reconsider Decisions Denying EB-2 Immigrant Visa Petitions

AGENCY: Immigration and Naturalization Service, Justice.

ACTION: Notice.

SUMMARY: This notice informs concerned parties (prospective employers who have filed certain EB-2 immigrant visa petitions) of the opportunity to file untimely motions to

reconsider Service decisions denying EB-2 immigrant visa petitions. The Service is publishing this notice in accordance with an order issued May 4, 2000, by the United States District Court for the Northern District of California (Chesney, J.), in the case entitled *Chintakuntla v. INS*, No. C99-5211 MMC (N.D.Cal.). This notice is necessary to ensure that all persons who are able to file motions to reconsider in accordance with the Court's order have notice of their right to do so.

DATES: This notice is effective July 3, 2000.

FOR FURTHER INFORMATION CONTACT:

Janice Podolny, Associate General Counsel, Chief of the Examinations Division, Office of the General Counsel, Immigration and Naturalization Service, 425 I Street, NW., Room 6100, Washington, DC 20536, telephone number (202) 514-2895.

SUPPLEMENTARY INFORMATION:

Why Is the Service Publishing This Notice?

On March 20, 2000, the Service published a policy memorandum (the March 20, 2000, Service Memorandum) clarifying the requirements that govern the adjudication of immigrant visa petitions filed under section 204 of the Immigration and Nationality Act (Act) to classify aliens as preference immigrants as aliens who are members of the professions holding advanced degrees or the equivalent (EB-2 immigrants). The March 20, 2000, Service Memorandum provided guidance for Service officers who, in adjudicating EB-2 immigrant visa petitions, must determine whether the job offered to the alien beneficiary actually requires a member of the professions holding an advanced degree or the equivalent. The March 20, 2000, Service Memorandum also addresses the issue of what sort of experience the job must require of a person with only a bachelor's degree, in order for the position to qualify as a position requiring an advanced degree or the equivalent. This March 20, 2000, Service Memorandum is particularly relevant in cases in which the labor certification (ETA-750) does not clearly indicate whether a person with a bachelor's degree must have 5 years post-baccalaureate progressive experience in the profession in order to meet the minimum qualifications for the job.

If a person who has standing wants the Service to reconsider a Service decision in a case, the person may file a motion to reconsider the decision. Under 8 CFR 103.5(a)(1)(i), the person
